

# THREE RIVERS LOCAL SCHOOL DISTRICT On-Line CURRENT

Monday, January 8, 2006

*Three Rivers Schools are fortunate to have such great people associated with it. Our parents, students, community members and staff are great. Let's make 2007 the best year yet!*

*Three Rivers School teachers, Bret Albright and Erin Metz speak to Governor, Ted Strickland, at a recent Conference in Columbus*

We are pleased to announce that Three Rivers has received a grant from the Cinergy Foundation in the amount of \$1,000.00. This grant is made possible through the efforts of Tim Thiemann, Miami Fort Generating Station Manager of Duke Energy. These funds are for the C T Young Elementary School Accelerated Reader program.

"We are happy to work with you to identify a community need that will benefit our children and future leaders. Best wishes for future success with this program," states Julie L. Ream, Business Manager, Duke Energy, Miami Fort Station.

This grant will be spent on new books and quizzes for the C.T. Young library. Jeana Hon, librarian at C.T. Young has successfully received this grant in the amount of \$500 since 2001. This is the first year the amount has increased to \$1,000. Congratulations Jeana and thank you Duke Energy!

January is School Board Recognition Month. Three Rivers School District's school children benefit every day from the dedication and commitment that is made to public education by our school board members. They all make personal sacrifices and spend countless hours attending to school district business. Most of the time serving on a Board of Education is a thankless job, so let's all say "Thank you" to the men and women who serve on our Board of Education. Those individuals are: Bruce McArthur, President; Al Bayes, Vice President, Connie Crofford; David Shuey; and Angie Weisgerber.

On Sunday December 17 the Three Rivers Youth Wrestling Team wrestled at Mason with 14 kids. Out of those 14, 9 placed. The Mason Tournament hosted teams from the Greater Cincinnati Area along with teams from Dayton (close to 2000 kids wrestled in the whole tournament).

# Two New Opportunities

Ladies,

Are you feeling tired, stressed, or out of shape? Studies have shown that women who exercise feel more relaxed, energized, and alert!

The Shady Lane Curves is offering a unique fund-raising opportunity that will help the school and help you improve your health and get in shape!

Curves is a fitness facility that focuses on helping women improve their health with a proven cardio, strength training, and diet program. Curves total body work-out only takes 30 minutes, so it's perfect for busy moms like you!

Curves is Support. Support from members. Support from our trainers. Support from our years of experience.

Curves is Welcoming. Curves is not about putting on airs, it's about taking off inches. When you walk in, you'll feel right at home.

Curves is Fun. Members tell us that 30-minutes flies by because they're having so much fun.

Curves is Proven. Come discover what over 4 million women already know!

Your neighborhood Curves is located just around the corner in the Shady Lane Plaza! The Shady Lane Curves is partnering with Three Rivers Schools to help raise funds for important programs throughout the schools. For every individual that joins the Shady Lane Curves and mentions this fund-raising program, \$25 will be donated to the Three Rivers Schools. This offer ends on January 31, 2007

What a great opportunity for you to get in shape, improve your health, and help our schools! Just bring this letter into the Shady Lane Curves - it's that simple.

Feel free to Contact Curves at 467-1189.

## Jacket Corps

Jacket Corps is an opportunity for all community members, regardless of age, to step up and help out the Three Rivers School District, Three Rivers community, and most importantly, the students. There is no experience required to participate and the flexibility in participating will fit anyone's schedule.

The Jacket Corps' mission has three simple goals:

1. Helping the students and community gain pride in their schools by improving our facilities
2. Helping stretch the tax money of Three Rivers School District through volunteer completed projects so that funds can be utilized for student achievement
3. Helping the Three Rivers School District improve our current facilities by creating safe and aesthetically appealing buildings and grounds

All volunteer projects will take place in or on the grounds of the four school buildings that our students currently attend. A district-wide priority list will be updated on an ongoing basis so as to take care of our most important jobs first.

This opportunity is an important one and will only be successful if we can network with individuals to build membership.

Visit [www.threeriversschools.org/announcements.html](http://www.threeriversschools.org/announcements.html) and click on Jacket Corps to download a registration form or call 941-6400.

Congratulations to Senior Erin Chapman who received the Herman B. Wells Scholarship at Indiana University. This is a very big honor. Below is the link to the web page describing this scholarship. Erin will get all tuition, class fees, and books paid in full. She also gets a stipend each year to live on and she gets a year away as an international student. They accept approximately 20 students a year for this prestigious award. Way to go Erin!
