Congratulations to McKenzie McDaniel, 6th grade student at Three Rivers Middle School, who was selected to represent her school, community and country, as a Sports Ambassador, at the Vienna Games, in Vienna Austria, this summer. As a Sports Ambassador, McKenzie will get to play soccer with students from 26 countries. While there, she will also get to tour the city and learn of its rich history. People to People International is a 50 year old organization that is "dedicated to the mission of promoting world peace through increased understanding between the citizens of the world." McKenzie has a 4.0 grade point average and is involved in Soccer, Band, Drama and her Church. She is currently busy raising funds for her trip!

Mike quarterbacked his team to two league titles, the state semi-finals and two undefeated regular seasons. Basketball: Point guard, nominated McDonald's All American High School team. Baseball: Shortstop, All City, 1st team all league, east-west all-star team, Division I scholarship to Bowling Green State University.

Taylor High School was honored for Community Service – Steve Elliot from the Mayerson Foundation awarded Taylor High School this plaque for their commitment of Service to others.

"This year the CHRC proclaimed March 2007 as Human Relations Month. Several organizations met to commemorate the month and a calendar of events was developed with the theme of New Approaches, New Voices, and New Partnerships.
One of the new voices is that of the youth who are performing extraordinary work through their community service programs at area high schools. CHRC is honored to join with the Manuel D. and Rhoda Mayerson Foundation to recognize the many contributions of the schools and youth that are spending countless hours volunteering and serving others in such worthwhile endeavors. We salute all the schools that will receive plaques this evening and their dedication to community service and in promoting positive human relations throughout the year."
