

# THREE RIVERS LOCAL SCHOOL DISTRICT

## On-Line CURRENT

Monday, June 25, 2007

George Canfield and Kurtis Penn, 2007 Taylor grads, received their Silver Medals from the Scholastics Art and Writing awards on Friday, June 15th. The ceremony was held at the famous Carnegie Hall in New York City. These young men walked across the stage with approximately 400 other students from across the United States. The young people were honored and praised for their talents and hard work - it was amazing! The ceremony was all about recognizing some of the greatest young and rising talent in our nation. The presenters reminded the students of the Scholastic Alumni winners that came before them, such as Andy Warhol, Robert Redford and Truman Capote - inspiring them with the company that they are now in. It was a magical night - and every one was thrilled to be there!
