The Current E-News

Taylor student, Mary Stafford, finds her car creatively covered with post-its after arriving home from a very rewarding Cheerleading camp at Miami University.

Taylor Students Selected for All-State Choir

Three Taylor High School Choir Students have been accepted into the All Ohio Youth Choir and will be living in Columbus from July 24 until August 10. They will rehearse about 8 hours a day, perform over 10 concerts, and sing about 45 songs throughout the few weeks they are there. All performances are held during the Ohio State Fair and concert attendance is usually well over 2,000 people each performance! The choir is made up of Ohio High School Students from the entire state of Ohio with approximately 150 singers.

Andrew Asimus (Junior in Taylor's Senior Choir and Mixed Chorus), Kyle Todd (Junior in Taylor's Senior Choir and Percussionist in Taylor's Marching and Concert Band), and Marissa Richardson (Sophomore in Taylor's Senior Choir and Women's Chorus) will be representing Taylor High School and Three Rivers School District in this phenomenal experience in Columbus.

Congratulations to the three of them for their dedication to choral music excellence and Taylor High School.

From July 20-26th, seven local college students will be going on a Mission Trip to Harlan, KY to assist with construction projects for Christian Outreach with Appalachian People (COAP). On July 9th and 10th at the Miami Heights LaRosa's they will be having a fundraiser where 20% of every order, dine-in, delivery, and carryout, will be donated to help pay for their COAP Mission Trip. They would appreciate any help with their fundraising. Coupons for the 20% will be passed out at the door of LaRosa's on the 9th and 10th or you can print and take the coupon below.
