Happy Autumn!

Market Day- the Three Rivers Middle School PTA is participating in a fundraising food program called Market Day. The restaurant-quality food products are competitively priced and the PTA earns 10% profit on your purchases that will benefit the students and school. Order sheets go home monthly to the students at the middle school. You may order from these sheets or you may order online at www.marketday.com (acct. #21887). Orders are then picked up once a month on a Wednesday evening at the middle school cafeteria.

Check out the NEW Three Rivers WebSite at www.threeriversschools.org .

C.T. Young Elementary School is participating in The Recycle Challenge to recycle aluminum beverage cans, help fight litter, save valuable resources, conserve energy, and earn money. C.T. Young Elementary School has a convenient container behind the school to recycle your aluminum cans at 401 N. Miami Ave in Cleves. The money earned from your recyclables will be used to purchase much needed materials at our school.

We need volunteers: to welcome people to the Three Rivers Local School District, to introduce people to our great district, to have fun and build camaraderie.

-Everything will be done, the welcome package just needs delivery!

Call Tom Bailey at 941-6400 to help out our schools!

***we are in need of paper bags (smaller than a grocery brown bag, but bigger than a lunch bag) to put all our “goodies.” Let Tom Bailey know if you can donate this item!**
