

THREE RIVERS LOCAL SCHOOL DISTRICT On-Line CURRENT

Monday, October 9, 2006

Thank you to our High School Drama boosters and drama students who spent Sunday, October 1st cleaning and repairing the High School auditorium. After many years of use there was a lot of work to do to get the performance hall ready for an exciting season of performances.

Pictured below are the boosters being busy as bees (actually YellowJackets!)

We need walkers and runners to participate in the 1st annual Fear the “CLIFF” on November 12th. In order to have a successful event we need everyone to encourage friends and family to fill out the registration form and return.

The Three Rivers School District is looking for 2 new members for the District Finance Committee. If you have a financial background (banking/accounting) and would like to offer your expertise to make Three Rivers financially stronger please e-mail John Wilkinson at jwilkinson@three-rivers.org

A BIG thank you goes out to our transportation specialists. Angie Drew and the district bus drivers very effectively managed a bad situation on 10/5. At dismissal time for our elementary schools, there was a significant accident on Bridgetown Road. Thankfully none of our buses or students were involved or injured. The bus drivers helped each other by effectively communicating information to each other about alternative routes and even helped each other out to get the students home in a safe and timely manner. We are lucky to have such a great group of people working for Three Rivers.

Congratulations to the Taylor High School Marching Band for placing 3rd at the La Salle High School Marching Band Invitational on Saturday, October 7.

Dear Resident of Three Rivers,

We want to personally invite you, your children, and grandchildren to our Family Halloween Event taking place on Sunday OCTOBER 29, 2006. Fall Ashtanga and Pranayama Yoga Classes

\$6.00 per class

Ashtanga Yoga

When: Every Tuesday & Thursday thru Nov 16

Where: Three Rivers Middle School - Room 88

Time: 5:30-6:45pm

These classes will follow the Ashtanga Yoga System. We will progress through the postures to allow students to safely reach their full potential. We will focus on the Victorious Breath(Ujjayi Breathing), focus of our gaze(Drishti), and engaging our energy levels, to allow for the flow of postures to develop a moving meditation. All of which builds strength, flexibility, and relieves stress.

Fall Pranayama(Yoga Breathing)

When: Every Thursday thru Nov 16

Where: Three Rivers Middle School - room 88

Time: 4:00 - 5:00pm

These classes will focus on promoting proper breathing and a few gentle yoga postures. Adequate oxygen supply helps to revitalize the mid and body. Oxygen is the most vital nutrient. Oxygen allows organs such as the brain, nerves, glands, and all internal organs to function efficiently. When we don't get the oxygen we need, we become mentally sluggish and our internal organs can not function properly. When you actively practice Pranayama, you saturate the blood stream with oxygen which releases toxins in your organs, re-energizing your body.
