From ALL of US in the Three Rivers Local School District,

and a Safe New Year.

Our next E-Newsletter will be sent on

Congratulations to Taylor High School freshman, Paige Jones who has broken a school record in the 500 freestyle. She did this last week at the Best of the West Swim Meet held at Gamble-Nippert YMCA. The old record was a 6:01.00 and Paige swam it in 5:54.48.

We are very proud and excited to announce that Corey Pascua, THS senior, has been selected to the **2006 NSCAA/adidas High School Boys Scholar All-East Region** team. This is a great honor for Corey and one we all can share in and be proud of. Please tell Corey congratulations when you see him. If selected for the All American team Corey will be invited to Indianapolis on January 13th to the NSCAA national convention to receive that award. Below is the website address to view the list of student athletes that were selected for the All East Region team. <http://www.nscAA.com/subpages/20061215141948508.php> . Congratulations Corey!

The Lady Jackets Basketball Alumni Game is coming up on Dec. 23, 2006 at 6:30pm at Taylor High School. This is a great game each year. We invite all former Lady Jackets to come and be a part of this reunion. You don't have to participate in the game, although we would love for you to. Moreover, it is a chance to catch up on old times. Each alumnus is introduced and brought out on the floor. The oldest alumnus will be given special recognition as 'Honorary Coach' of the alumni team. We will also recognize the individual that has come from farthest away. It is always a fun night.

Three Rivers Middle School students had a fundraiser selling Market Day pies and if the students sold 500 pies the top selling students won a contest to throw a pie in the face of Mr. Huber and Mrs. Wray. The students didn't quite make the goal but being such good sports Mr. Huber and Mrs. Wray agreed to get the pies in the face since the students sold over 400 pies.

The students selling the most pies were 5th grader Kristen Kolkmeier and Brandon Sillett and 8th grader Emily Lakamp. On Friday, December 15th it became pie day at TRMS. So every student could watch the pies getting thrown in the face, Mrs. Murphy was happy to telecast the pie in the face on Video Clipboard which is broadcast to every homeroom in the morning on closed-circuit TV. On behalf of PTA we thank Mr. Huber and Mrs. Wray for being such great sports and the students of TRMS for a great fundraiser.

Don't Forget these next two items:

Two weeks ago we had an opportunity to raise money for Three Rivers by shipping our packages at Sunshine Pack and Ship on Harrison Ave. across from Kohl's and Meier's. Mike Campisano, Three Rivers parent and owner, is extending the offer to ship from his store anytime between now and Christmas and he will donate 10% of the shipping costs to Three Rivers. If you ship anything during the holidays, please utilize this opportunity.

Let him know you are from Three Rivers!

Did you realize that there is an aluminum can recycling program at C.T Young School? There is a large container behind the school where you can drop your bags of aluminum cans, 24 hours a day/7 days a week. This program is part of a grant that is being run locally by Rumpke. As stated in the newspaper last week (Western Hills Press) only 75 schools can be included in the program, which we are fortunate to be one of them. The paper also stated that some schools are earning up to \$3000 a year. How can we let thousands of FREE dollars escape us? We have not received any money yet, because we haven't filled our container. Please help us. Start saving your cans and dropping them off at C.T.Young today. Don't let this money pass us by!

On behalf of the Arthritis Foundation, we certainly appreciated having the Taylor HS students volunteer at the Jingle Bell Run. Your group did a fantastic job and we really enjoyed having you there. The JBR raised nearly \$60,000 to be applied toward our mission, and we couldn't have achieved this without volunteers like you.

Thanks again and happy holidays!

Sincerely,

Jennifer Yapp

January Ashtanga Yoga

This class will follow the Ashtanga Yoga System. We will progress through the postures to allow students to safely reach their full potential. We will focus on the Victorious Breath(Ujjayi Breathing), focus of our gaze(Drishti), and engaging our energy levels, to allow for the flow of postures to develop a moving meditation. All of which builds strength, flexibility, and relieves stress.
