

## Facts:

-  All of the student athletes, band and choir members, and cheerleaders pay to participate in their activity.
-  Over 25% of the students in Three Rivers are identified as low income students, many of whom would like to play sports or join an arts group.
-  Since the \$2.5 million budget cuts in 2004, no dollars are budgeted for maintenance or repairs to the athletic facilities or performing arts facilities.

Three Rivers students receive a great education. This year, CT Young Elementary School and Taylor High School are rated EXCELLENT by the State of Ohio.

CUT HERE

Dear Friends of Taylor High School,

The 2008 Annual Fund Drive has officially started. This is an exciting time for the students of the Three Rivers School District. Our world is quickly changing and we are preparing our students for an ever expanding global market. However, in 2004 the school district cut over \$2.5 million from its annual budget, which resulted in several areas needing outside funding sources. That is where you can help! We want you to have this opportunity to help today's students by making Taylor High School your charity of choice. Please consider making a tax deductible donation to one of the private fund initiatives.

Please join together to help give the Taylor students of today the gift of a brighter tomorrow. **Go Jackets!**

**Naming opportunities are available for each Private Fund Initiative. Contact Tom Bailey 513-941-6400 for more information on this program.**

### Private Fund Initiatives

**Technology Fund**—Purchase interactive technology for district classrooms to keep the students competitive in today's global market.

**The ARTS Fund (Alliance to Renovate Three Rivers Showcase)**—Improve the Fine Arts Performance Auditorium at Taylor to allow our award winning fine arts programs to flourish.

**The SCORE Fund (Strong Community Organized to Realize Excellence)** - Improve Athletic Facilities. **PHASE I**—Renovate Taylor Stadium for student and community use.

**Pay to Play Fund**— Set up an endowment fund to help offset pay to play fees for those students in Three Rivers living AT or BELOW the poverty line so that they can join our fine arts and athletic programs at THS and TRMS. Currently students who cannot afford Pay to Play cannot participate.
