

In order to do this assignment, you will also need access to Google Classroom during the summer. To join google classroom, follow these directions:

- 1) Go to <https://classroom.google.com/>
- 2) Log in using your Three Rivers gmail account.
- 3) In the upper right hand corner, click on the “+” sign to join a class
- 4) Use the code: **4a11ttj** to join the Honors Physical Science Google classroom.

Please email your instructor if have an issue with joining this google class. If you don't have internet access at home, please find an internet source that you can use. Public libraries usually have computers that you can use.

Below are the choices for the **SUMMER ASSIGNMENT**. You only need to **COMPLETE ONE** of the three listed. The Summer Assignment is due the first day of classes. 7 points will be deducted for each day late.

[Choice # 1: Choice Book Reading](#)

- Your choice of physical science book from those approved titles; write a book report when complete.

[Choice # 2: The Science Behind Kings Island](#)

- Complete the Review Packet of materials about the Science Behind Kings Island. All pages must be complete.

[Choice #3: LAB: Inquiry Based Diet Coke & Mentos](#)

- Using soda and candy, perform an experiment, answer guiding questions, and write up a formal lab report.
