

1991 STINGER

We started the Senior year with apprehension. Have we fulfilled all of our graduation requirements? What will the future hold? Oh, so many things, just get me through it all. We have to order our announcements which cost around \$70.00 and our cap and gown at \$15.00. Before school started we had our Senior pictures taken and we spent a bundle, approximately \$150.00. Then April and Prom time arrive. Our Senior class is honored by having a Prom in our school. It was really neat. The after Prom was at La Boom.

The year was great! Only, with Commencement, more decisions which we have to answer to. Do I get a job, do I go to college or enlist into the military? Wow! Life is so complicated.
