

The background of the book cover is a technical drawing, possibly a mechanical part or a map, rendered in a light, faded style. It features various lines, curves, and numerical markings. In the upper left, there are some faint numbers like '20' and '30'. In the center, there's a curved scale with markings like '80' and '100'. In the lower left, a large, bold number '10' is visible. In the lower right, there's a small rectangular box containing the number '22'. The overall texture of the cover appears to be a fine, woven fabric.
