In 2019, Taylor High School started a Career Academies Program to focus on the trades for students to explore post-secondary options that might not require a college degree. Mr. Bryan Kestner, who was then working as a middle school social studies teacher, was interested in teaching the Academy as he is a woodworker in addition to being an educator.

Mr. Kestner hit the ground running and started creatively finding ways to purchase resources to support the courses. During the 2019-2020 school year, Mr. Kestner had 64 students enrolled and was offering Middle School Career Exploration, Aviation 101, and Pre-Apprenticeship Electric. By the next school year, Mr. Kestner had almost doubled student enrollment with 102 students taking Career Academy courses, as well as adding Aviation 201 and The Passion Project to the course list.

Word continued to spread, and Mr. Kestner's passion for Career Academies was the driving force behind increased enrollment and course offerings this school year. 202 students are currently enrolled in Career Academies, and Mr. Kestner added Aviation 301, Home 101, and Rise Up to the Academy.

With impressive growth came an immense need for resources to support student opportunities. Kestner actively looks for grants and donations to help with materials. Recently though, he was presented with a donation that will help to enhance the Career Academies and grow it to the level of professionalism he has hoped for.

Dr. Mark Ault, Superintendent of Three Rivers Local School District, met with Miami Fort Power Plant Manager Joe Riestenberg to discuss the state of the school district. During the discussion, Dr. Ault mentioned Taylor High School Career Academies and their need for resources. Miami Fort is dedicated to supporting the surrounding community and took an interest in the opportunity.

On Nov. 19, 2021, Miami Fort Power Plant graciously presented a \$15,000 donation to be used to continue improving opportunities for students in Taylor High School Career Academies.

When asked about the donation, Mr. Kestner stated, "I was completely blown away. I am so proud of these courses and, while we have made a lot of progress already, know that we still have so many more opportunities to give these students experiences that can shape their future. With this generous donation, I am able to take our program to a whole new level. I am truly grateful for Miami Fort and thankful that Mr. Riestenberg and Mr. McCarthy took time to come to Taylor High School to see firsthand the work we do in the Academies."

Anyone interested in donating to the Taylor High School Career Academies can email Mr. Kestner at bkestner@trlsd.org.

The most wonderful time of the year is quickly approaching! Would that be crisp fall mornings, apple cider, turkey with stuffed dressing, visits to grandma's house, stocking stuffers, and tree decorating? No, it is the Scholastic Book Fair, of course!! Three Rivers students love the book fair. Many students ask on the first day of school, "When is the book fair?" This year elementary students will have the opportunity to visit the fair during their library class the week of December 6 to December 11. The fair will also be open, Saturday, December 11 during Breakfast with Santa. The book fair will not be open after school or during the evening. Parents should be on the lookout for the Scholastic Book Fair flyer the week following Fall Break. Students may pay by cash, credit card, or Scholastic's Ewallet which is explained in the Scholastic flyer.

Please note: Students will have the opportunity to love their books for two weeks, and there will be no books exchanged (only special circumstances) during the week of the Scholastic Book Fair. The wonderful world of Fly Guy, Elephant & Piggie, I Survived, Pete the Cat, Diary of a Wimpy Kid, and more are making their return to Three Rivers Educational Campus! It truly is the most wonderful time of the year to read a book!

A Heartwarming Moment

When 4th-grade student, Sophia, watched as her teacher, Mr. Jack Cottrell, spoke at the Three Rivers Veterans Day Ceremony, she was brought to tears. Mr. Cottrell was the keynote speaker for the Ceremony as he is a Veteran. After staff members witnessed Sophia tearing up during Mr. Cottrell's speech, she was later asked about how she felt. She responded by stating, "I felt very emotional, happy, and proud of Mr. Cottrell."

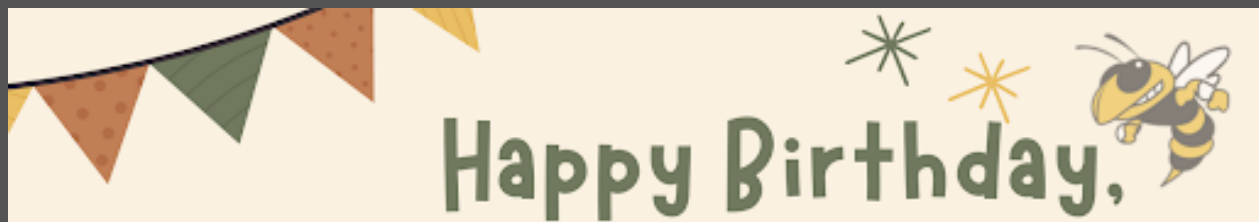

We thank all of our veterans!

The November Three Rivers Veterans Day Ceremony can be viewed by [clicking HERE](#).

Three Rivers is thankful for all of our veterans and proudly hosts an annual ceremony to say Thank You!

Happy Birthday, Three Rivers!

Happy Birthday, Three Rivers!

On November 6th, TRLS D turned 65 years old! To celebrate, families sent in cards with their favorite thing about the District. Cards were displayed in the main lobby from November 1st-5th and posted online! 10 random cards were selected and the students of the families who wrote the card will receive a birthday treat!
