Board Approved 10/22/2019

The calendar has 176 student days and 183 teacher days. The other day would come from open house ( $1 / 2$ day) for everyone and curriculum night ( $1 / 2$ day for grades Pre-K-4) and scheduling night (half day grades $8-12$ ), bringing the total to our contracted 184. However, something needs to be proposed for grades 5-7 for the other evening. Ideas would be a curriculum night for 5 and 6 since they are more elementary-like and either a welcome night or Camp Kern night for 7th grade. The SpEd department would have their parent information night count as one of the two (for high school, that would be open house and for the others, it would be curriculum night).
