Student Handbook 2026-2027

Beth Jackson

Principal

School Pledge

I vow to be a safe, responsible, and respectful citizen every day.

I will be a problem solver. I will follow the rules and do my best.

I demonstrate Yellow Jacket Pride.

Three Rivers Elementary Daily Schedule

8:30 am: Pre K-4th Grade Students Are Permitted to Enter the Building

8:30 am: Elementary Breakfast Begins

9:00 am: Elementary School Begins

11:45 am: AM Preschool Ends

12:45 pm: PM Preschool Begins

3:30 pm: Elementary School Ends

Character Education

At Three Rivers Elementary we are working hard to enhance our school's culture and achievement. During each school month, a selected character trait will be the focus of character building. We believe that character education helps students reach their full capacity, and provides them with a foundation for success.

Focus Character Words for 2026-2027

August	Responsibility	I know what to do and what is expected of me.
September	Determination	I can try to achieve something difficult.
October	Self Control	I can do what is right, even if I don't feel like it.
November	Forgiveness	I can stop blaming or feeling anger toward someone or something.
December	Cooperation	I can work with others to achieve a common goal.
January	Enthusiasm	I can express joy as I give each task my best effort.
February	Honor	I can show respect, being proud and honest to others.
March	Creativity	I look at things with a new perspective.
April	Honesty	I can be truthful in what I say and do.

ACCIDENT

In the event that your child has an accident or becomes ill during the school day, we will attempt to contact the home by telephone. If your child's condition warrants further action we will use the information provided on the Emergency Medical Form on file in the office to provide the care needed. **PLEASE NOTIFY THE OFFICE WHEN YOUR EMERGENCY NUMBER CHANGES.**

ALCOHOL/ DRUG POLICY

The Three Rivers Local School District Board of Education shall not permit any student to possess, transmit, conceal, consume, nor show evidence of having consumed, used or offered for sale any alcoholic beverages, illegal drugs, nonprescription drugs, look alike drugs or any mind-altering substance while on school grounds, at school sponsored events, in any situation under the authority of the district, or in controlled vehicles. Included in this prohibition are any substances represented as controlled substances, nonalcoholic beers, steroids, tobacco and tobacco products, and drug paraphernalia. Students found in violation of this policy will be subject to disciplinary action as described within the student code of conduct up to and including expulsion and referral for prosecution.

The following policy pertains to illegal drugs and alcohol:

Any student found to be in possession or under the influence of drugs and/or alcohol at school, at a school-sponsored event or on a Board-operated transportation vehicle will be suspended from school for a period of ten (10) days and recommended for expulsion. At the building administrator's discretion and with reasonable cause, any or all of the following may be conducted: drug and/or alcohol testing, searching of the student's person and personal belongings (purse, backpack etc.), searching of the student's locker, and/ or searching of the vehicle that a student occupied to or from school.

Students who are recommended for expulsion should bring documentation of an assessment; including a drug/alcohol screening from a TRLSDD approved drug and alcohol specialist, agency or facility. A form that authorizes disclosure of information to school authorities regarding the student's attendance and compliance to treatment recommendations must be completed as well. In addition, any cost incurred is the responsibility of the student or his/her parent/guardian. This documentation, along with a treatment plan for the student, will be reviewed by the superintendent and may result in the expulsion being conditionally held in abeyance.

In such cases, the student may be permitted to:

Complete his/her suspension in Alternative School upon receipt of an assessment and treatment documentation; return to school after the suspension is served and documentation of an assessment and treatment plan is provided.

In either of these instances, an expulsion hearing will still occur and a term of expulsion determined. Any student who is found to be in noncompliance with the recommendations of the drug and alcohol assessment and/or treatment plan will be expelled from school for the duration of his/her term of expulsion.

ATTENDANCE POLICIES AND PROCEDURES

ATTENDANCE

Regular attendance is essential for successful school achievement. Therefore, students are expected to attend class on a regular basis. Please refer to our district's board policies regarding attendance by clicking [HERE](#). To this end, the following guidelines will be followed by all schools within the Three Rivers Local School District.

Legal Requirement

All children between ages six (6) and eighteen (18) are of compulsory school age and must attend school. **(Ohio Revised Code, Section 3321.01:)** It is the parent/guardian's responsibility to ensure their child attends school; therefore, it is the obligation of the parent/guardian to report the child's absence or tardiness each day the student is absent. **(Ohio Revised Code, Section 3321.03:)**

After seven (7) full-day absences excused with a parent call or note during the school year, third-party documentation will be required for verification of absence; this policy covers all three schools within the Three Rivers Local School District. Those not verified by a third party will be marked as unexcused. A parent phone call/note will no longer be sufficient, and absences without third-party documentation will be considered unexcused. Unexcused absences will be referred to the district attendance officer for possible court action.

Procedure for Reporting Absences

1. On the day of the absence, a parent/guardian should email or call to report the absence before 8:30 a.m. for THS and TMS or before 9:30 for TRES. No note is required if the parent calls or emails that the student is absent.

Taylor Middle School Attendance 513-824-7446 or absent-ms@trlsd.org

Three Rivers Elementary School Attendance 513-824-7440 or absent-es@trlsd.org

2. If notification was not made to the school on the date of absence, the student must report to the Attendance Office with a note or the Parent Communication Form, including the following information:
 - a. Date(s) of absence
 - b. Reason
 - c. Phone number where parent/guardian may be reached
 - d. Signature of parent/guardian
3. Students who are absent due to a doctor's appointment must provide a note from the physician/medical provider upon return
4. Students who are absent without notification to the school will be marked as "unauthorized." This can be modified if a notification is provided to the school following the absence. Unauthorized absences are considered unexcused.
5. Students who provide a reason for absence that is permitted per board policy will be marked as excused for the first 7 instances. After seven (7) full-day absences excused with a parent call or note during the school year, third-party documentation will be required for verification of absence; this policy covers all three schools within the Three Rivers Local School District.
6. Students who provide written documentation from a medical provider for medical appointments or procedures, personal illness, or hospitalization will be marked as excused.
7. Students who provide a reason for absence that is not permitted per board policy will be marked as unexcused.
8. Unauthorized absences will receive an automated notification via phone within 120 minutes of the start of the school day.

Excused Absences

A school-logged parent/guardian phone call or written notification received by the attendance office for any of the excused absences below is sufficient to excuse the child's absence for the first 7 instances. After seven (7) full-day absences excused with a parent call or note during the school year, third-party documentation will be required for verification of absence; this policy covers all three schools within the Three Rivers Local School District.

- Notification from a physician/medical provider's office may be in the form of an e-mail or fax to the proper school authority or directly from a physician/medical provider's office. Doctor's notes must specify a period of time for which an excused absence is necessary.
- The parent/guardian maintains sole responsibility to make certain the telephone call and/or absence note was submitted to the proper school attendance authority in a timely fashion.
- The school should be notified in advance by the parent/guardian for any planned absence that includes 3 or more consecutive days.

The school administration will make the final decision whether an absence/tardy is excused or unexcused.

Reasons for which students may be excused include, but are not limited to:

1. personal illness of the student;

2. illness in the student's family necessitating the presence of the child;
3. quarantine for contagious disease;
4. emergency or other set of circumstances in which the judgment of the Superintendent constitutes a good and sufficient cause for absence from school, which may include but not be limited to absences due to documented medical, behavioral or dental appointments;
5. needed at home to perform necessary work directly and exclusively for parents or legal guardians for a limited period of time when approved in advance by the Superintendent (applies to students over 14 years of age only when all statutory obligations have been met for such excusal);
6. death in the family (applies to absences of up to 18 school hours unless a reasonable cause may be shown for a longer absence);
7. up to three religious expression days per school year in accordance with Ohio Revised Code 3320.04;
8. traveling out of state to attend a Board-approved enrichment activity or extracurricular activity (applies to absences of up to 24 school hours);
9. post-secondary visitation, for which a student may be marked as "present" for such absences for up to three days per school year;
10. pre-enlistment reporting to a military enlistment processing station;,, for which a student may be marked as "present" if the absence is used to help fulfill graduation requirements;
11. absences of a student of a military family for purposes of visiting their parent, legal guardian or custodian who is an active duty member of the uniformed services that has been called to duty for, is on leave from, or immediately returned from deployment to a combat zone or combat support posting;
12. absences due to a student's placement in foster care or change in foster care placement or any court proceedings related to their foster care status;
13. absences due to a student being homeless;
14. attending a driver education course outside of core curriculum (applies to absences for two hours per day up to eight hours maximum, which cannot exceed four consecutive days or can be nonconsecutive) or
15. as determined by the Superintendent.

Chronic Absenteeism and Habitual Truancy. Consistent attendance is the foundation of student success. Per Ohio House Bill 96, our district focuses on early intervention to support families and remove barriers to regular attendance.

1. Chronic Absenteeism (Total Hours)

A student is Chronically Absent if they miss **10%** or more of school hours for **any reason**. This includes all unexcused, excused (vacations/family emergencies), and medically excused absences.

- **5% Warning:** Notification sent to parents to offer support (approx. 9 days).
- **10% Threshold:** Student is officially "Chronically Absent."

2. Habitual Truancy (Unexcused Hours Only)

Habitual Truancy is triggered by unexcused absences reaching these legal thresholds:

- 30+ consecutive hours.
- 42+ hours in one month.
- 72+ hours in one school year.

Legal Action: Reaching these limits requires forming a formal plan of action. If attendance does not improve as planned, the district is legally mandated to file a complaint in **Juvenile Court**.

3. Documentation Requirements

While all absences count toward "Chronic Absenteeism," parents must provide medical notes or written excuses for every absence. This documentation is critical to:

1. Verify "satisfactory progress" toward attendance goals.

2. Prevent the escalation of legal truancy proceedings.

Tardies only:

Any student who reports to school after 9:00 a.m. is considered tardy. It is the parent/student's responsibility to arrive at school on time, and only in rare cases and with administrative approval will exceptions be made to excuse tardiness. Oversleeping and car problems are not excused reasons for tardiness, even with a parent note. Students who are tardy should make up the work missed during the tardy. Habitual tardiness will result in school discipline and/or a referral to the district's attendance and truancy officer. Students are responsible for the work missed because of their tardiness.

In general, unexcused absences/tardies include (but are not limited to):

- Missing the school bus.
- Experiencing transportation problems at home or on the way to school, including traffic.
- Remaining at home to complete school assignments.
- Missing school without a legitimate illness.
- Oversleeping. Alarm clock (student's or parent's) failed to work.
- Working at a job during the school day without a proper work permit.
- Any form of recreation
- Personal business that can be done after school or on weekends.
- Personal, non-medical appointments during the instructional day
- As a defendant in a court of law

Please note: Students arriving at school by school bus, even if the bus is delayed, will be considered on time for arrival regardless of arrival time.

Extracurricular Activities Attendance

A student may not miss more than 10% of any school year to participate in activities, unless there has been an extended illness. Students absent from school for more than four periods in one day will not be permitted to participate in after-school activities. Special circumstances may be appealed to the building administration. Mandatory rules applying to students participating in extracurricular activities are as follows:

1. Participating in the Day of Practice, Meeting, or Performance

- a. Students absent from school for more than four periods in one day will not be permitted to participate in after-school activities.
- b. Special circumstances, however, may be appealed to the administration

2. Class Cutting / Truancy – When a student who is involved in any extracurricular activity cuts class or is truant, the activity sponsor will be notified by the administration. Proper disciplinary action will be in accordance with the specific rules of the organization/activity, with a minimum of being denied participation from the next scheduled practice or meeting.

Early Dismissal

- A student must present a note from a parent/guardian to the Attendance Office requesting an early dismissal before the start of the first period.
- The note must include:
 - a. Date
 - b. Time and reason for dismissal
 - c. Phone number at which the parent/guardian may be reached for verification of the request
- If the student leaves school and returns the same day, he/she must report to the Attendance Office upon returning.

Dismissal Due to Illness

- A student who becomes ill during school hours must report to the school nurse.

- Permission will be granted only after a parent/guardian has been contacted by the school nurse.
- Students may not contact parents using their own personal devices to pick them up from school because they are ill; they must follow the above procedure.
- No student is to leave the building without authorization.

Out of Town Absences/Family Vacation

Three Rivers Elementary School and Three Rivers Local School District do not encourage students to miss school for non-emergency trips or vacations. However, one out-of-town absence per school year may be considered excused if all of the following conditions are met:

- A completed Out-of-Town Absence Form must be submitted to the school office **prior** to the first missed day of school.
- The absence must be for a **family vacation or trip**.
- The student must be in **good academic standing** and have **satisfactory attendance**.
- All assigned schoolwork must be completed and turned in within the same number of days missed (example: 5 missed school days = 5 school days to complete make-up work).

Approval of out-of-town absences is subject to administrative review and may be denied based on attendance concerns, academic performance, testing schedules, or other school-related factors.

BED BUGS

Parents will be notified when their child/children are found to be infested with bed bugs – either by bites on skin or actual bed bugs on personal belongings.

1. A parent/designee must bring a change of clothing for the child that has been in the dryer on high heat (140 degrees or higher) for a minimum of 20 minutes.
2. The student will be checked upon return to school for 3 consecutive days and all personal belongings (coats, backpacks, etc.) are to be bagged and sealed. Two (2) additional weekly checks will also be done.
3. Classrooms will be disinfected as determined by the School Nurse and Principal.
4. The Hamilton County Health Department will be notified.

BICYCLES

Students may ride their bicycles to school. Bicycles must be parked in the designated area outside the Event Entrance and Elementary Cafetorium. It is the student's responsibility to secure his/her bicycle to the bicycle rack. The school is not responsible for lost, stolen or damaged bicycles.

BOOKS

All textbooks, supplementary materials, and library books furnished by the Three Rivers Board of Education should be returned in the condition they were borrowed. Students losing or damaging school materials will be required to reimburse the school. **Report cards are held for unpaid fees, lunch charges and library books that have not been turned in.** You are responsible for the cost of books not returned or damaged beyond repair. Unpaid fees are forwarded to the next grade level. Please see *Fees* for further details. Fees are assessed by our Board of Education.

Parents are required to supply their child with pencils, paper, pens, crayons, paste, and scissors. See *Supplies* for further details. Unpaid fees for lost or damaged materials accumulate throughout the student's educational career.

BREAKFAST AND LUNCH

A free breakfast is served daily for all elementary students from 8:30 AM to 9:00 AM in our Cafetorium. Each grade level receives a combined Lunch/Recess period of 40 minutes. For those in need, Free & Reduced forms are available on our district web site or may be obtained in the Elementary Office.

BUS TRANSPORTATION

Bus Transportation is provided to those students enrolled in Preschool through 8th Grades. **Students who come to school on the bus must return home on the bus unless a NOTE from the parent is given to the office in advance.** Riding the bus is a privilege. Strict behavior expectations are enforced on the bus; the students are to follow the rules mailed to the homes with the bus information in addition to the school code of conduct. **To improve the delivery of students to their homes at the end of their instructional day, we no longer require that an adult be present at the stop for a student to be dropped off.** The policy on transportation states that a child must be picked up at the same address each day. The child may be transported to a different address at the end of the day; however that address must be the same each day. If your schedule is not the same each day, you must provide transportation on the odd days. **Students may not ride the bus to a stop other than their assigned stop.** Bus information is based on the child's home address unless the transportation department receives **in writing** a request for a different address for either pick-up or drop-off for the upcoming school year. **Changes must be approved by the transportation department.**

Please notify the school of any bus changes when approved by transportation: # 513-467-3215 if no answer and not an emergency please leave a message.

COMPUTERS / INTERNET USE / BRING YOUR OWN DEVICE

The Three Rivers Elementary and Three Rivers Local School District and Extended Computer Network is defined as not only all of the computers, network wiring and network wiring located within the Three Rivers Elementary and the Three Rivers School District, but also any equipment with which the school and district computers may connect electronically. Therefore, when a student uses a Three Rivers Elementary computer, iPad, iPod, or other device brought from home to connect through the Internet to another computer, no matter where in the world that device is located, those become part of the Three Rivers Elementary and Three Rivers Local and Extended Network. Computers and devices that are outside of the buildings of the Three Rivers District that connect into our system are also considered part of our network. Students should be aware that the list of rules below governing the use of computers and devices in the Three Rivers Elementary and Three Rivers Local and Extended Computer Network are also enforced through state and federal laws. In addition, any act by a student on a device connected to the Three Rivers Network is subject to disciplinary action from the student code of conduct. To use any device and the internet service on the Three Rivers Campus, each student's parent must sign the "Responsible Use Guidelines" found in Final Forms. The user is held responsible for her or his actions and activity on the Internet no matter what device that student is using, be it a computer, iPad, or cell phone allowed by the teacher. The Three Rivers Local School District Code of Conduct applies to all student users. Unacceptable uses will result in the suspension or revocation of internet and BYOD privileges or more serious penalties. A person responsible for *accidental* damage to a school owned device shall pay up to \$75.00 for parts and labor to repair or replace equipment. A person responsible for *purposeful* damage shall pay the full cost for parts and labor to repair or replace the equipment. **Full disclosure of the Three Rivers Responsible Use Guidelines can be found on the district website**
<http://www.threeriversschools.org>.

STUDENT RESPONSIBLE USE GUIDELINES FOR TECHNOLOGY

Access to the District's computer/network/Internet and using BYOD is a privilege, not a right. Every computer/network/Internet and BYOD user within the District is expected to act in a responsible, ethical and legal manner. In accordance with Three Rivers Responsible Use Guidelines for Technology, the purposes of the other networks they use on the Internet, and the laws of the states and the United States. To have access to the District network and use BYOD (Bring your own Device), students under the age of eighteen (18) must obtain parent permission and must sign and return the STUDENT RESPONSIBLE USE GUIDELINES FOR TECHNOLOGY form where it is kept on file for the current school year. The user is held responsible for her or his actions and activity on the Internet no matter what device that student is using, be it a computer, iPad or cell phone allowed by the teacher. Unacceptable uses will result in the suspension or revocation of internet and BYOD privileges or more serious penalties. A person responsible for *accidental damage* to a school owned device shall pay up the fee for parts and labor to repair or replace equipment. A person responsible for *purposeful damage* shall pay the full cost for parts and labor to repair or replace the equipment. Full disclosure of the Three Rivers Responsible Use Guidelines can be found on the district web site <http://www.threeriversschools.org/FormsLinks.aspx>.

All Three Rivers Local School District managed devices and user accounts are subject to network monitoring and filtering. The use of filtering software is a protective measure taken by the District to comply with the federal and state requirements on Internet safety and security across District managed devices and accounts. Additional monitoring software acts as a supplemental feature utilized by the District to better ensure the well-being and safety of all students. While District administration will have the ability to navigate any flagged activity alerts and, when possible, respond accordingly, it is primarily a parent's responsibility to monitor their student's online behavior.

CONFERENCES

Parent-Teacher conferences are very desirable because they give the parent an opportunity to become familiar with the teacher and with their child's progress. Teachers are available for conferences, upon request. Parents wishing to have a conference are asked to call the office or write directly to the teacher. Conferences are scheduled in October and February. Further information concerning conferences will be sent home during the 1st and 2nd semester.

CONDUCT

A sound educational program cannot be carried out without discipline. Each student is expected to conform to social and school rules. Respecting classroom and school rules and regulations leads to good citizenship. Self-discipline is one of the most important things to be learned in life.

During the first few weeks that your child is in school, your child's teacher will send home copies of his/her discipline plan. Please familiarize yourself with your teacher's discipline plan and our Code of Conduct (See Agenda).

It is important that students realize that breaking a rule could result in corrective actions. Our goal is not to punish, but to emphasize the fact that we all must live together. Those who choose to disregard rules that were designed to protect the safety and rights of all students and faculty will be dealt with firmly.

The Three Rivers School District is currently implementing a district-wide positive behavior support system. All staff will teach the 3 district behavior expectations at the beginning of the year: Be Responsible, Be Respectful, and Be Safe. Positive reinforcement will be given to the students on a regular basis to encourage them to act appropriately and follow the rules in each area of the building.

HAZING AND BULLYING

Harassing, hazing, intimidating and/or bullying by any student/school personnel in the District is strictly prohibited, and such conduct may result in disciplinary action, including suspension and /or expulsion from school. Harassment, hazing, intimidation and/or bullying means any intentional written, verbal, graphic or physical acts, including electronically transmitted acts, either overt or covert, by a student or group of students toward other students/school personnel with the intent to haze, harass, intimidate, injure, threaten, ridicule, or humiliate. Such behaviors are prohibited on or immediately adjacent to school grounds, at any school-sponsored activity; in any District publications; through the use of any District-owned or operated communication tools, including but not limited to District e-mail accounts and/or computers; on school-provided

transportation or at any official school bus stop, or off of school premises, if the educational process or operation is disrupted.

STUDENT CONDUCT ON SCHOOL BUS

The Board furnishes transportation in compliance with State law. This fact does not relieve parents of students from the responsibility of supervision until such time as the students board the bus and after the student leaves the bus at the end of the school day.

Students on a bus are under the authority of, and directly responsible to, the bus driver. The driver has the authority to enforce the established procedures for bus conduct. Disorderly conduct or refusal to submit to the authority of the driver is sufficient reason for refusing transportation services or suspending transportation services to any student once proper procedures are followed.

The Board authorizes the Superintendent or other administrators to suspend a student from school bus riding privileges only for a period of up to one school year. The only due process required is notice to the student of an intended bus riding suspension and an opportunity to appear before the administrator considering the suspension before it happens. The administrator's decision is final.

CELL PHONES

Students in Preschool through 4th Grades are NOT permitted to bring cell phones to school.

CHEATING POLICY

Cheating is defined as any of the following, which occurs during a testing situation or any other conditions defined by the individual teacher: (1) any transfer of information between students; (2) allowing the transfer of information; (3) using any extraneous sources of information; (4) failure to turn in a test paper when requested; and (5) plagiarism.

Below is an outline of how cheating will be dealt with:

- a. The teacher will notify the student's parents and/or guidance counselor.
- b. The student will be counseled at school by the teacher and/or counselor.

DIRECTORY INFORMATION

If you do not wish to allow Three Rivers Local School District to use your child's picture and name in any publication for the school, district, or community (including the yearbook), you must notify the Principal in writing that you do not want your child pictured in ANY publication. This notice must be sent to the Principal within two weeks of the beginning of school.

DRESS CODE POLICY

Students at Three Rivers Schools are expected to adhere to the following dress code policy. The Objective of this dress code is to provide an appropriate educational environment while allowing students to dress comfortably within limits to facilitate learning. We expect students to maintain the type of appearance that is not distracting to students, teachers, or the educational process of the school. Parents and children are equally responsible for the appearance of students. There is appropriate and inappropriate attire for all of life's activities. Keeping these ideas in mind, please help your student adhere to these guidelines. The Administration will make the final determination regarding violations of the Dress Code Policy.

The specific Dress Code requirements are as follows:

1. All clothing must be of appropriate size and fit neatly (Skin Tight Pants are not permitted, including yoga pants, tights, and leggings).
2. Oversize clothing, saggy or baggy pants, low necklines and midriff shirts will not be permitted.
3. Tops and bottoms must overlap at all times, including when arms are raised.
4. Shorts or skorts, dresses, and skirts must be mid-thigh length or longer.
5. Shirts must have sleeves.
6. All tops should be of an appropriate size and fit. Low, scoop, plunging or revealing necklines will not be permitted.
7. Any material that is sheer or lightweight enough to be seen through will not be permitted.
8. Chains (non-jewelry) or chain wallets are not to be worn in school.
9. Clothing that is distressed or that has rips or holes in it is not to be worn in school.
10. Visible body piercings other than ears are not to be worn at school or school activities.
11. Articles of apparel, clothing, or accessories that present a hazard to the individual or to other people will not be permitted.
12. Clothing that promotes drugs, alcohol, tobacco, sex, or is offensive or degrading is not to be worn in school.

EARLY CHILDHOOD PROGRAM

The Early Childhood Program consists of both handicapped and non-handicapped students (age 3 to 5). Children will attend class Monday through Thursday 9:00 a.m. to 11:45 a.m. or 12:45 p.m. to 3:30 p.m. This program will follow the Three Rivers Local School District Calendar.

EARLY CHILDHOOD HEAD START PROGRAMS

The Hamilton County Educational Service Center offers a morning and an afternoon class for preschool children in the Three Rivers Schools. These programs are available for income eligible children. The Head Start program consists of two sessions; one in the morning and one in the afternoon that follows the school building hours. The Head Start classroom provides a comprehensive child development program that is developmentally appropriate and is based on the Ohio Department of Education preschool standards. Our goal is to provide learning opportunities and activities that help children enter kindergarten ready to succeed. For additional information, contact the Enrollment Center of the Hamilton

ELECTRONIC DEVICES

Students in grades Pre-K through 4 are **NOT** allowed to bring personal technology devices for academic classroom use unless determined by the classroom teacher. Students will **NOT** be allowed to use devices during the passing of classes or in the cafeteria/recess setting.

EMERGENCY SCHOOL CLOSING

In the event that it becomes necessary to delay or close school due to inclement weather the following procedure will be followed:

- All public announcements will be made through our All Call System, our Website banner, APP notification and TV or radio stations as soon as the decision has been made. Please do not call the school.
- On a TWO-HOUR DELAY, Morning Pre-School, Head Start and half day Kindergarten are cancelled. Breakfast is served. All other grades will begin at 11:00 a.m. Students may enter the building at 10:30 AM. **All afternoon sessions/programs will be held as usual.**

ENTRANCE AGE

Any child enrolling in Kindergarten must attain the age of five by August 17th. If early entrance testing is desired, contact the school office.

FEES

Fees are assessed for all grades. The purpose of these fees is to offset the cost of consumable materials and supplies not provided by the Three Rivers Local School District. The amount of these fees is determined by our Board of Education and is included in your Welcome Back letter. Unpaid fees will result in the holding of information sent to other schools and agencies. All unpaid fees are cumulative throughout a student's educational career in the Three Rivers Local School District and could affect a student's eligibility to receive his/her diploma from Taylor High School. Board Policy-Student Fines, Fees and Charges, indicates that report cards are held for students with unpaid school fees. Progress Reports are published to Progress Book for all students. Students with unpaid fees, who re-enroll after withdrawing must still pay all unpaid fees as well as new pro-rated fees. **Payment Plans for Outstanding Balances:** We understand that unexpected financial situations may arise throughout the school year. Families with outstanding balances for school fees, activities, or other approved expenses may request a payment plan through the school office. Payment plans will be arranged on an individual basis and are designed to help families manage balances in smaller, scheduled payments while keeping accounts in good standing. Families interested in setting up a payment plan should contact the school office to discuss available options and timelines.

FIELD TRIP GUIDELINES

Grade levels may choose to take field trips off school grounds. These trips are educational in nature and are designed to meet specific curriculum standards.

To ensure the safety, success, and positive image of our school, students may be prohibited from attending field trips based on their disciplinary and attendance record. Each case will be reviewed on an individual basis by the school administration and staff.

FIRE, TORNADO, SHELTER-IN-PLACE AND LOCKDOWN DRILLS

Fire, tornado, shelter-in-place and lockdown drills are held during the school year. The emergency plan posted by the entrance of each room provides for the maximum safety of all the children.

If danger threatens at the time of dismissal, students will be kept inside until the danger has passed.

During fire, tornado, shelter-in-place and lockdown drills students are asked to move quickly and quietly and respond immediately to all directions given by school authorities.

FOOD ALLERGIES

The number of students with life-threatening allergies, especially food allergies, has increased substantially in recent years.

Allergic reactions vary among students and can range from mild to severe and life-threatening anaphylactic reactions. Anaphylaxis refers to a collection of symptoms affecting multiple systems in the body, the most serious of which are breathing and a drop in blood pressure. Both are potentially fatal. Anaphylaxis can occur immediately or up to two hours after allergen exposure. Some students, who are very sensitive, may react to just touching or inhaling the allergen.

The most common causes of anaphylaxis in children include allergies to:

- Foods (most commonly peanuts, tree nuts, milk, dairy products, eggs, soy, wheat, fish and shellfish)
- Insect stings (yellow jackets, bees, wasps, hornets)
- Medications
- Latex

The school nurse/health aide will obtain medical orders for the student to have 1 EpiPen, if possible. Exceptions will be made on an individual basis. One EpiPen is to be kept locked in the nurse's office. Students must be transported to the hospital by ambulance if epinephrine is given.

FREE & REDUCED LUNCH

Free and reduced lunch applications are available on our school website at www.threeriversschools.org or also in the school office upon request. Completed applications can be returned to the school, faxed to (513) 367-2287. Applications completed online are usually approved within 24 hours. Summer Food Service is available in our area. See www.threeriversschools.org for details.

HEALTH

Maintaining good health is extremely important to each child's progress while in school. If your child shows signs of illness (fever, vomiting, etc.) please keep him/her home.

The school should be notified if your child contracts a contagious disease. The child must remain at home until your Doctor states, in writing, a date to return to school and that your child is no longer contagious. The nurse will send notices to all parents whose children have come in contact with a contagious disease.

The Health Aide is in our building every day of the week. If you have any questions concerning your child's health, please call the school.

You may refer to the "General Guidelines for Keeping Children Home from School Due to Illness:" list under the attendance section of this handbook for more detailed information on Student Health issues.

HOMEWORK

Homework that is assigned meets one or more of the following objectives:

- To practice and reinforce skills and concepts taught in the classroom;
- To provide an opportunity to extend learning beyond the classroom;
- To provide enrichment about a subject taught;
- As an opportunity for creative expression and to encourage analysis, synthesis, and evaluation of a lesson and/or.
- To complete unfinished classroom work or work that was missed due to absence.

The number, frequency and degree of difficulty of homework assignments should be based on the ability and needs of the student and take into account the other responsibilities which make a legitimate claim on the student's time.

Homework assignments should never be the reason a student fails a course.

No required summer work shall be assigned by the classroom teacher. Students may be encouraged to read, write and learn independently and with their parents/family.

LATEX BAN

People with allergies to latex may develop life-threatening reactions when exposed to latex products. These people are, in fact, reacting to the protein found in natural rubber latex. Natural rubber latex can be found in many common products such as balloons, rubber-bands, adhesive bandages and latex gloves. Latex balloons and latex gloves pose a special hazard because when a balloon deflates or gloves are removed from hands, rubber protein particles are released into the air. This is a hazardous situation for people with latex allergy. We **DO** have students with latex allergies in the Three Rivers School District and are requesting that **no latex balloons** be brought into the buildings. Mylar balloons are acceptable as an alternative.

For more details contact the School Nurse @ (513) 824-7500.

LOST AND FOUND

Many items are lost and found during the year. Articles such as coats, hats, gloves, umbrellas, lunch boxes, sweaters, shirts and pants are placed in the "lost and found" located inside the cafetorium. Smaller items such as watches, rings, pens, etc. can be recovered in the main office. Items not claimed by the last day of school will be given to a charitable organization.

MEDICATION PROCEDURES:

Students at Three Rivers Elementary School who have a need to take prescription or over-the-counter medication as treatment for an acute illness must follow these procedures: Over the counter medications such as cough drops, antibiotic ointment and Oragel are not provided by the school.

- **ALL medication is to be taken to the office by an adult. NO non-prescription or prescription medication is permitted on the student's person.**
- Non-prescription and prescription medication must be in the original container and be properly labeled with the student's name and address, name of medication, the dosage, the time of administration and the prescribing physician.
- An authorization form, completed and signed by the attending physician must accompany all medication to school.
- A parent or guardian must sign a permission slip giving school personnel the authorization to administer the medication to their child.
- At the prescribed time to take the medication, as indicated by the written instructions from the prescribing physician, the student will report to the office where the medication will be administered.
- A written log will be kept for each time medication is administered.
- If it is necessary for the medication to be taken home, an adult will retrieve the medication and container after dismissal at the end of the day.

In addition, those students who have chronic health impaired conditions such as, but not limited to, a heart condition, tuberculosis, rheumatic fever, nephritis, asthma, sickle cell anemia, hemophilia, epilepsy, lead poisoning, leukemia, or diabetes may receive their medication during school hours if the condition has been duly documented by a practicing physician and the physician has stated that it is necessary for this student to have medication during school hours in order to function in the school. Parents of students with chronic health problems should contact the school nurse to get the necessary forms that are to be completed before the school can administer medication.

PARKING

Visitors to the Three Rivers Elementary School are asked to park in the Visitor Parking area located in front of the Elementary Entrance. Please do not park in the numbered spaces located in the outer parking lots. Parking in the playground area is prohibited during school hours. Please use the crosswalk when crossing the parking lot to enter the elementary school. We always have little eyes watching us, and we want to model safe habits for our students.

PEDICULOSIS (HEAD LICE):

Students found with head lice will be excluded from school at the time the lice are discovered. (The day student is sent home and one day following will be an excused absence-all additional days will be unexcused)

A child may return to school the morning after initial treatment if the following conditions are met: 1) a parent must accompany the child and provide proof that treatment has taken place (the box from the treatment used, a letter from a physician or some other acceptable proof) and 2) the parent must wait until the checkup is completed.

The school nurse will be assigned to recheck the child's head. If nits are found, the parent will be required to take the child home for additional treatment.

When more than six students in the building have Pediculosis at any one time, a letter shall be sent to all parents advising them of the problem. If more than two infested pupils occur in a given classroom, all pupils in the class will be screened and a letter will be sent to all parents in that classroom.

PROMOTION AND RETENTION OF STUDENTS

The promotion of each student is determined individually. The decision to promote or retain a student in a grade is made on the basis of the following factors. The teacher takes into consideration: reading skill, mental ability, age, physical maturity, emotional and social development, social issues, home conditions and grade average.

Promotion procedures demand continuous analysis and study of the cumulative student case history records. Administrative guidelines must be developed and reviewed and may include the following elements.

1. A student receiving passing grades in the core courses is promoted.
2. A student having failing grades in the core courses at the end of each year is evaluated by the teachers, guidance counselor and the principal for placement.
3. No conditional promotions are permitted.
4. A student having failing grades may be assigned to the next higher grade with discretion only with approval of the principal.
5. No student having passing grades, "D" or above, throughout the year is failed.
6. No student should be retained more than twice in the elementary grades, kindergarten through eighth grade.
7. Documentary and anecdotal evidence should be available to justify retention.

Any student who is truant for more than 10% of the required attendance days of the current school year and has failed two or more of the required curriculum subject areas in the current grade is retained unless the student's principal and the teachers of the failed subject areas agree that the student is academically prepared to be promoted to the next grade level.

“Academically prepared,” means that the principal, in consultation with the student’s teacher(s), has reviewed the student’s work and records and has concluded that, in his/her judgment as a professional educator, the student is capable of progressing through and successfully completing work at the next grade level.

REPORTING/GRADING PROCEDURES

Your child’s teacher will explain their grading system at the beginning of the school year. Grades are based on daily work, quizzes, tests, returned homework, workbook assignments, observations, classroom assignments, independent work, unit tests and weekly assignments.

Report cards are sent home at all grade levels four times a year. Interim progress reports are published on Progress Book at the end of the fifth week in each grading period. Should you have any questions concerning your child’s progress, please call his/her teacher. Report cards must be signed and returned to the homeroom teacher as soon as possible.

Grades on report cards are based on grade-level standards established for each subject area. The ratings indicate your student’s progress in relationship to the end-year standard. Parents of students experiencing academic or behavioral problems will be contacted as soon as practical with details of the problem areas. Parent communication can take place through written notes, email, telephone, notes in the student’s planner, and/or face-to-face conferences.

SPECIAL SERVICES

The need for special help is sometimes discovered by the parents, teachers, or administrators. Referrals may be made to the principal by the parent or the teacher. In cases where students are screened, they must qualify for the special service desired.

Special services include: speech and hearing therapy, specific learning disability and developmentally handicapped programs, Title I Remedial reading, psychological and educational testing, and counseling.

SUPPLIES

The Three Rivers Local School District no longer supplies such materials as crayons, pencils, pens, paste, scissors, paper, etc. A grade level and teacher supply list will be handed out at the beginning of each school year and are available on the district website.

TELEPHONE

Use of the telephone by students is limited to school business or emergencies. Permission from the teacher, secretary, or authorized adult must be obtained to use the phone.

TEST SECURITY

Many times in your student’s school years he/she will be taking tests. You should know that all tests and examinations are considered “secure.” That means that we keep them locked up until they are given to him/her and that no school employees (including teachers) are permitted to let you know questions or answers to questions ahead of time.

Proficiency tests, achievement tests and ability tests are given special protection. If there is evidence to conclude that cheating took place, the papers in question will be disqualified and disciplinary action may be taken.

These procedures are for the student’s protection to make sure that everyone who takes these tests does so in a fair and equal manner. District Policy 6405 gives details of our Test Security Provisions.

Title I SCHOOL-PARENT COMPACT

The Three Rivers Elementary School, and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA), agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State’s high standards.

You have the right to know about the teaching qualifications of your child’s classroom teacher in a school receiving Title I funds. The federal Every Student Succeeds Act (ESSA) requires that any school district receiving Title I funds must notify parents of each student attending any school receiving Title I funds that they may request, and the district will provide the parents on request (and in a timely manner), information regarding the professional qualifications of the student’s classroom teachers, including at a minimum, the following:

- I. Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- II. Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
- III. Whether the teacher is teaching in the field of discipline of the certification of the teacher;
- IV. Whether your child is provided services by paraprofessionals and, if so, their qualifications.

You have the right to know that you may request, and the local educational agency will provide the parents on request (and in a timely manner), information regarding any State or local educational agency policy regarding student participation in any assessments mandated by section 1111(b)(2) and by the State or local educational agency, which shall include a policy, procedure, or parental right to opt the child out of such assessment, where applicable.

Title I School Responsibilities

Three Rivers Elementary School will:

1. **Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards as follows:**
 - Students who are "not on track" in reading in grades K-3 will be placed on a Reading Improvement Monitoring Plan (RIMP) that will include a detailed list of services the child will receive at school and expectations for parents.
 - All other students will be monitored periodically to ensure they remain on track. Additional services may be provided in weak skill areas.
2. **Hold parent-teacher conferences during which this compact will be discussed as it relates to the individual child's achievement.**
 - Any student placed on a RIMP will have a scheduled conference time or phone conference during the October and February conference dates. Any family may request a conference with the teacher(s) during the conference periods.
3. **Provide parents with frequent reports on their children's progress.**
 - All students will receive a quarterly report card and mid-term progress report.
 - Other assessment information may be sent home (i.e., unit tests, other graded work)
4. **Provide parents reasonable access to staff. Specifically, staff will be available for consultation with parents.**
 - Parents are provided general telephone information and should also be provided with their teacher's extension number(s). Teachers do not usually answer their room phone when students are present, so your phone call may be returned before or after student hours. Every teacher shall provide their email address as well.
5. **Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities as follows:**
 - We have a very active PTO which parents are encouraged to join. Many volunteer opportunities are available through PTO. Parents may contact their classroom teacher or an administrator if they wish to volunteer in other ways.

Parent Responsibilities

We, as parents, will support our children's learning in the following ways:

- Monitoring attendance. Regular attendance is necessary for children's success.
- Making sure homework is completed.
- Volunteering or coming to school for special events whenever possible.
- Participating, as appropriate, in decisions relating to my child's education.
- Promoting positive use of my child's extracurricular time.

Staying informed about my child's education and communicating with the school by reading all notices from school or school district, received either by paper coming home with child; phone; or mailed information.

TOYS

In addition to electronic devices, Toys & Trading Cards are NOT permitted at school unless permission is given by the teacher. Toys or Trading Cards brought to school will be confiscated by the teacher and returned to the student at the end of the day. A second occurrence will result in confiscation of the Toy and parent having to pick up the Toy or Trading Card at school.

VISITORS

Parents and visitors must first report to the main office when entering the building. If a visitor is dropping off deliverable items, the secretary will take those and distribute them to the student's classroom. If a visitor is a volunteer, or attending a classroom event, the individual will need to sign in at the main office and get a visitor's pass, unless otherwise specified. School personnel reserve the right to deny any visitor access into the building.

VOLUNTEERS

Volunteers are always needed in a school setting. Volunteers are asked to sign in at the office and obtain a Visitor's Badge before going to their work area.

Classroom teachers will review with parents their specific needs and procedures for signing up at the beginning of the school year. Additional volunteer opportunities will be provided under the Parent Resource tab on the district website.

WITHDRAWAL PROCEDURES

In order to withdraw a student from Three Rivers Elementary, you must:

1. Notify the office of withdrawal and complete a withdrawal form. *This does not officially withdraw a student from the Three Rivers School District.*
2. Pay any outstanding school fees, lunch fees, return all books and clean out lockers/cubbies. *Unpaid school fees will result in withholding grades to other schools and agencies.*
3. Enroll the student in their new school as soon as possible. *Your student will not be officially withdrawn from the Three Rivers Schools until a Request for Records is received from the new school. Your student is required to attend Three Rivers' school until fully enrolled in a new school. Failure to enroll your student in a new school will result in a referral to the district Truancy Officer of the Three Rivers School District.*
- 4.

CODE OF CONDUCT FOR PUPILS

STUDENT CODE OF CONDUCT

Any pupil engaging in the types of conduct either specifically or generally like the kinds of conduct listed herein is subject to expulsion, suspension, emergency suspension, or removal from curricular or extracurricular activities pursuant to 3313.66, Ohio Revised Code.

Types of conduct prohibited by this Code of Conduct are as follows:

1. Damage or destruction of school property, property of school employees, or property of other students, on or off school premises.
2. Damage or destruction of private property on school premises or in areas controlled by the school.
3. Assault or threat of assault on a school employee, student, or another person.
4. Harassment of school personnel or other students during school and/or non-school hours.
5. Fighting, hitting, or unauthorized, unwelcome touching.
6. Hazing, bullying, taunting, or ridiculing (to persecute, harass or humiliate another student and/or employee). Two incidents by one student towards another will result in reporting and labeling a student to the Board per O.R.C. 3313.666.
7. Chronic misbehavior which disrupts or interferes with any school activity, including throwing of objects.
8. Disregard of reasonable directions, rules, or commands by school authorities including administrators and teachers.
9. Abuse of another. No student shall use or direct to, or about a school employee, or student, words, phrases, or actions which are considered to be slanderous or degrading in nature, words or phrases which could be considered threatening, menacing, or indicate an intent to cause harm to person or property, and/or words or phrases which are obscene or profane as defined by the majority of our society. Name-calling and negative, uncomplimentary, and offensive remarks related to physical handicaps or defects, mental handicaps, race, religion, nationality, appearance, or other reasons are prohibited.
10. Disrespect to a teacher or other school authority.
11. Refusing to take detention or other properly administered discipline.
12. Skipping detention or other assigned discipline.
13. Falsifying information given to school authorities in the legitimate pursuit of their jobs or withholding information from them, including one's identity.
14. Forgery or altering school-related documents.
15. Cheating, plagiarizing, or stealing.
16. Gambling
17. Extortion of a student or school personnel.
18. The or possession of stolen goods.
19. Arson or other improper use of fire.
20. Possession of matches or lighters or other similar devices.
21. Possession or use of dangerous weapons or ordnance or objects which look like weapons or ordnance, including, but not limited to guns, firearms, ammunition, knives, grenades, sling shots, bows, arrows, machetes, brass knuckles, chains, studs, mace, etc.; or possession or use of objects which may render physical harm to another if improperly used, including, but not limited to, axes, hatchets, hammers, saws, ice picks screwdrivers, knives, etc.
22. Buying, selling, transferring and possession of any substance containing tobacco, including, but not limited to, cigarettes, vape, cigars, a pipe, a clove cigarette, chewing tobacco, snuff, and dip, or using

tobacco in any other form.

23. Buying, selling, possessing, or being under the influence of any controlled substance (drugs, narcotics, marijuana, etc.) or inhalants, or buying, selling, using, possessing, or being under the influence of any counterfeit controlled substance (any substance that is made to look like a controlled substance or is represented to be a controlled substance or that is believed to be a controlled substance).

24. Buying, selling, transferring, and possessing of any drug, medication, inhalant, or other controlled substance which can be taken internally where the students involved cannot show a legitimate health or other reason for the use of such substances.

25. Buying, selling, and transferring of any drug or alcoholic paraphernalia including instruments, objects, papers, pipes, containers, etc.

26. Violation of the Taylor Secondary School Cell Phone/Electronics policy.

27. Buying, selling, transferring, or possessing any alcoholic beverage or intoxicant of any kind.

28. Cursing or use of foul, profane, or offensive language.

29. Use of indecent or obscene language in oral or written form; indecent or obscene gestures or conduct. 30. Publication or possession of obscene, pornographic, or libelous material.

31. Placing of signs and slogans on school property without the permission of the proper school authorities.

32. Distribution on school premises of pamphlets, leaflets, bulletins, insignia, etc., without the permission of the proper school authorities.

33. Demonstrations by individuals or groups causing disruption to the school program. 34. Truancy.

35. Tardiness.

36. Leaving school premises during school hours without the permission of the proper school authority.

37. Upon initial arrival, leaving school property without permission.

38. Trespassing outside school hours where a student has no legitimate business without permission of the proper school authority.

39. Failure to abide by reasonable dress and appearance codes set forth in student handbooks or established by the administration of the Board of Education. This includes the prohibition of all clothing, jewelry, signs, etc. which at the discretion of the Administration is reasonably related to or represents gang or gang-like activity. 40. Improper or suggestive dress.

41. Indecent exposure.

42. Engaging in sexual acts, displaying excessive affection, or other inappropriate behavior with a person of the same or opposite sex.

43. Turning in false bomb alarms/threats or any other activity that induces panic defined as

a. Initiating or circulating a report or warning of an alleged or impending fire, explosion, crime, or other catastrophes, knowing that such a report is false.

b. Threatening to commit an "offense of violence" or

c. Communicating any offense with reckless disregard for the likelihood that its commission will cause serious public inconvenience or alarm.

44. Presence on school property with a communicable disease.

45. Failure to abide by rules and regulations set forth by the administration for student parking.

46. Disobedience of driving regulations while on school premises

47. Convey, attempt to convey, or knowingly possess a deadly weapon or dangerous ordnance onto any property owned or controlled by or to any activity held under the auspices of the Board of Education.

48. Sell, order to sell, or possess a controlled substance on school premises or at a school-related function

(trafficking in drugs).

49. Carrying concealed weapons.

50. Aggravated murder.

51. Murder.

52. Voluntary manslaughter.

53. Involuntary manslaughter.

54. Felonious assault.

55. Aggravated assault.

56. Rape

57. Gross sexual imposition.

58. Felonious sexual penetration.

59. Any disruption or behavior, which could or does interfere with school activities.

60. Willfully aiding another person to violate school regulations.

61. Any type of prohibited activity listed herein taking place on a school bus shall be a reason for expulsion, suspension, or removal from the bus or school.

62. Commission by a pupil of any crime in violation of the Ohio Criminal Code, Ohio Traffic Code, or the Ohio Juvenile Code.

63. Failing to report the actions or plans of another person to a teacher or administrator where these actions or plans of another person, if carried out, could result in harm to another person or persons or damage property, when the student has information about such actions or plans.

64. Any other activity including, but not limited to Baccalaureate and Graduation which pupils know or should know will disrupt the academic process or a curricular or extracurricular activity either on the school premises or on-premises where a school-related activity is taking place.

65. Misuse of a computer as outlined in the District Policy.

66. Students are not permitted to ride skateboards on Three Rivers School property.

67. Violation of any Board rule, regulation and/or policy.

68. Use of any substance containing tobacco, including, but not limited to, cigarettes, vape, cigars, a pipe, a clove cigarette, chewing tobacco, snuff, and dip, or using tobacco in any other form.

69. Use of any controlled substance (drugs, narcotics, marijuana, etc.) or inhalants, or buying, selling, using, possessing, or being under the influence of any counterfeit controlled substance (any substance that is made to look like a controlled substance or is represented to be a controlled substance or that is believed to be a controlled substance).

70. Use of any drug, medication, inhalant, or other controlled substance which can be taken internally where the students involved cannot show a legitimate health or other reason for the use of such substances.

71. Use of any drug or alcoholic paraphernalia including instruments, objects, papers, pipes, containers, etc.

72. Being under the influence of any alcoholic beverage or intoxicant of any kind.

73. Swatting any threat (verbal, written or electronic) or false reporting (verbal, written or electronic) of an emergency other than a bomb. Threat by a person for the intent of getting an emergency response to a school building or property where no emergency exists.
