

Future 11th Grade Course Selection Worksheet

Please use this scheduling worksheet to guide you in the selection of courses for the 2021-2022 school year. Students and parents/guardians should consider previous school records and teacher recommendations when choosing a course. Taylor High School offers several levels of instruction to meet the academic needs of students.

The levels below are listed in the order of difficulty.

*If your child is on an Individualized Education Plan, please note that the counselors and Intervention Specialists will be reviewing the IEP and more options for academic levels may be available.
