II. ELECTIVE COURSES

When selecting electives you must choose courses that equal up to 2.0. Please note whether they are .50 (half) or 1.0 (full) year courses. Courses in grade 7 do not earn high school credits. Courses are subject to change based upon availability.

Parents and their student(s) should devote adequate thought and planning to course selections prior to submitting course requests. After the course selection sheet has been turned in and entered into the computer, it will be considered a final schedule request. Any adjustment to the schedule is at the discretion of the administration. Some students may be placed into support/intervention based on academic need.
