Courses that do not earn high school credit are Band, Chorus, PE and PLTW. Health is a required high school course. Courses are subject to change based upon availability.

Parents and their student(s) should devote adequate thought and planning to course selections prior to submitting course requests. After the course selection sheet has been turned in and entered into the computer, it will be considered a final schedule request. Any adjustment to the schedule is at the discretion of the administration. Some students may be placed in to support/intervention based on academic need.
