Scholastics

The Scholastic Art Awards is the largest national art contest for HS students. This year Taylor boasts 40 winners and a GOLD KEY portfolio winner! This is our largest showing at the Scholastic Awards and we are beyond proud of our students and their talent.

Our students compete at the regional level with all other Cincinnati, Dayton and Northern Kentucky high schools (both public and private).

We will take all students involved in the classes that submitted for Scholastics on a field trip to visit the exhibit on February 1st. The student show is held at the Art Academy of Cincinnati in OTR. After viewing the student work we will proceed to the Cincinnati Art Museum in Eden Park to see the Masters and learn from the best!

Only seniors are eligible to enter a portfolio into Scholastics, and there are only 10 winners regionally.

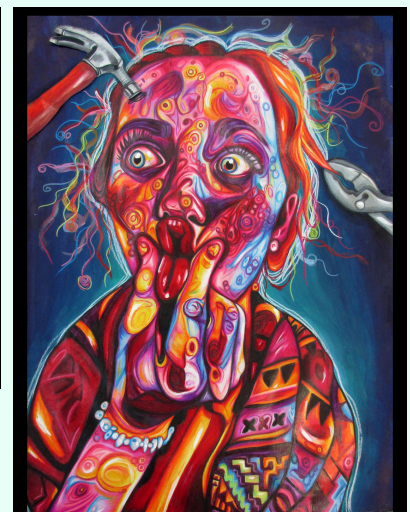

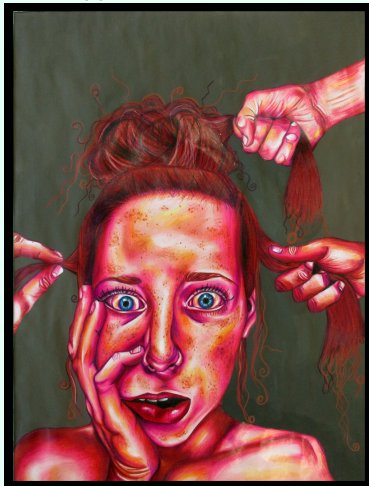

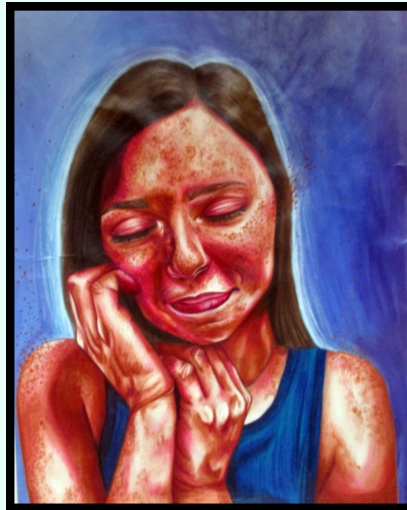

There are about 300 portfolio submissions!! This is the highest honor!!

Lucy has been involved with Art her whole life and gives back to Three Rivers by teaching summer art classes and after school enrichment classes to our younger students.

Next year Lucy plans to study Art Education !

Her portfolio, "My World" - is a collection of portraits in a realistic and expressive colored pencil and paint application.
