

HONORS Credit Summer Work for Band

Choose ONE option to complete this summer:

Option 1

I. Concert Attendance:

A. You must attend one symphonic band, orchestra, or jazz band concert this summer. Possible options include the Cincinnati Pops, The Blue Wisp Big Band, community band concerts, etc. Email Mr. Fitzpatric if you need help finding a concert to attend. Do not wait until the week before school starts to complete this!

II. Program and Ticket Stub- You must turn in both the program and ticket stub from the performance to earn credit

III. Paper

A. You must turn in a TYPED 2 page, double spaced paper describing the performance you attended.

1. Describe the music in the performance
 - a) Instrumentation, period of music, composers, pieces, etc. BE SPECIFIC! Your paper should not be exactly the same as your the program.
2. What did you think of the performers?
 - a) What you liked, what you didn't like, were there any soloists?
3. Describe anything else about the show
 - a) Opinions, likes, dislikes, concert venue, etc.

Any questions can be directed towards Mr. Fitzpatric via email at efitzpatric@trlsd.org, or in person during summer marching band camps. I will need proof that you attended the concert: **ticket stub AND program** must be turned in with the paper. Plan out what concert you are planning to attend in advance as concerts can sell out. Double check the venue that the concert is being performed at so that you do not show up at the wrong place!

Option 2

I. Three Rivers Community Band:

A. Participate in the Three Rivers Community Band. You will need to attend rehearsals and perform at a summer concert. To receive credit, you will need Mr. Knapp's signature. Visit the community band's Facebook page for rehearsal information. There is no cost to participate!
