MISSION STATEMENT

The Mission of Taylor High School is to provide a school environment which supports and encourages the scholastic achievement and personal development of every student. We want our students to:

- ✓ think critically, solve problems and make effective decisions;
- ✓ build a solid academic foundation;
- ✓ have self-respect and respect for others;
- ✓ possess self-reliance, discipline and motivation;
- ✓ function effectively in a technological society and cope with the challenges of everyday life;
- ✓ set reasonable goals, work to attain them, and accept the consequences of their actions.

THE PHILOSOPHY OF TAYLOR HIGH SCHOOL

Taylor, in cooperation with the home and community, provides academic, social, co-curricular, and extracurricular experiences through which students may develop their intellectual and creative abilities, interpersonal skills, and physical well-being in pursuit of becoming successful and responsible members of society.

The academic program at Taylor encourages students to develop problem solving, critical thinking, technical, and communication skills. The school provides a stimulating and challenging environment in which students can strive for personal academic excellence, as well as layfoundations for continued independent learning.

Our students will study, appreciate and respect diverse peoples, ideas, and cultures of the past and present. In addition, our school promotes growth of social consciousness through community service opportunities which allows students to become aware of their roles as contributing citizens of our community.

Our students will understand the value of hard work and the responsibility of continued personal growth. A Taylor graduate should be prepared to embrace the challenges of life, strengthened with self-respect

and self-esteem, and equipped with the tools of critical thinking, positive self-expression, and an emerging awareness of his or her potentials and place in our democratic society.

SCHOOL SONGS

Alma Mater

My head's held high
So proud am I,
To be one of your number.
Thy past is great
Thy paths are straight
Thy future shall be pure.

Chorus:

O Taylor High
Our Taylor High,
Thy sons sing out thy glory,
Our voices raise
To sing thy praise

O Taylor, here's to thee
We hear thy call
To one and all
To go forth into glory
To strive for good and brotherhood,
To honor right o'er wrong

Thy tow'ring dome,
Like mighty Rome
Looks high out o'er the river;
So all may see
Thy sons, like thee
Are able, just and proud.

Fight Song

Here's to dear old Taylor
Long may she stand high;
Down through the ages
May her banner fly,
Rah! Rah! Rah!
Keep her name untarnished
and her flag unfurled,
do this fellow students,
And she'll stand before
the world.
We go out to conquer
Fighting clean and fair
Fight for all that's worthy
Only get it square
Rah! Rah! Rah!
And the burning flame
Play with soul and sinew
And we're sure to win the game.

Here's to dear Old Taylor
Dear old Gold and Brown
Keep her colors flying
Never let them down
Rah! Rah! Rah!

Cherish all her standards
Keep her straight and true;
You'll be proud of Taylor
And you'll make her proud of you.

CREDIT FLEXIBILITY

The Board of Education recognizes that an effective educational program is one that provides students opportunities to customize aspects of their learning around their respective needs and interests. Credit flexibility is one method to motivate and increase student learning by allowing access to more resources, customization around individual student needs and the use of multiple measures of learning.

Credit flexibility shifts the focus from “seat time” to performance. Students can earn units of high school credit based on an individually developed and school approved credit flexibility plan. The intent of credit flexibility is to meet increased expectations for high school graduation in response to globalization, technology, and demographics, and to meet the demand for 21st century skills.

Students can earn high school credit by:

1. Completing coursework;
2. Testing out or showing mastery of course content;

3. Pursuing an educational option and/or an individually approved option; and/or
4. Any combination of the above.

For more information on Credit Flexibility please visit our website, Academics tab on Taylor's main page or see your Guidance Counselor.

COLLEGE CREDIT PLUS

College Credit Plus is a program in which eligible students can take a course and earn both high school and college credit that appears on both their transcripts. CCP replaces the former Post-Secondary Education Option and Dual Credit Courses. Students may take courses online, at a college campus, or in the high school setting taught by adjunct college professors. At Taylor HS, we have partnerships with several local universities for CCP courses. For more information on these programs and the options for our students to earn college credits in high school, see the Course Guide, visit the website, or see your Counselor.

EXAMS (SEMESTER)

All students 9-12 who are enrolled in a credit earning course for graduation must take an exam. Exams count as 1/5 (20%) of a student's semester grade in a course. Only students who have a doctor's note will be permitted to reschedule an exam. Those students MUST make up their exam within 5 school days from their return.

EXAM EXEMPTIONS – 12TH GRADE

Seniors may be exempt from the second semester exam for any course in which he/she is enrolled if he/she meets all of the following criteria:

1. 3rd and 4th quarter grades must each be a "B" or better.
2. No suspensions or BIC assignments during the 2nd semester.
3. No disciplinary action for tardiness to school during the 2nd semester.
4. No more than 5 absences in a Semester class and no more than 10 absences in a yearlong class. (School sponsored field trips and college visits do not count against the student)

Teacher period attendance in Progress Book will determine #4. The teacher will notify seniors who will be exempt from the exams. Notification will take place as soon as possible, but no later than the day prior to the first day scheduled for senior exams.

Whenever a student is exempted from an exam, the student's exam grade will be the average of the 3rd and 4th quarter grades, with ascending or descending status being the deciding factor when necessary. For example, if the 3rd quarter grade is an A and the 4th quarter grade a B, the exam grade will be a B because the grades are descending. If the 3rd quarter grade is a B and the 4th quarter grade an A, the exam grade would be an A because the grades are ascending. Students may opt to take exams even though they are exempt if it will improve their semester grades.

EXAM EXEMPTIONS – End of Year Exam Subjects (AIR assessments)

Courses in which an End of Year (EOY) assessment is given, students enrolled in them have ability to be exempt from the second semester exam in that particular subject if they meet the following criteria:

1. 3rd and 4th quarter grades must be a 90% or better.
2. No more than 5 absences during the 2nd semester.
3. Determined on a class to class basis (can be exempted from English 10, but not Geometry)

GRADE POINT AVERAGE (GPA) / VALEDICTORIAN

Grade point average (GPA) and class rank are important measures of a student's academic level and achievement in high school. GPA will be calculated both by weighted and non-weighted methods. The non-weighted GPA will be used to determine the honor roll. The weighted GPA will be used to determine class rank and the **Valedictorian** and **Salutatorian** for each graduating class of Taylor High School. The valedictorian and salutatorian shall be decided by their weighted averages through the first seven semesters.

Computation of the non-weighted GPA and weighted GPA is based on semester grades for all courses taken for credit. Non-weighted and weighted GPAs are determined by quality points earned, divided by credits attempted. Quality points for weighted GPA are calculated by multiplying the numerical value of

a semester grade (weighted according to the level of the course) by the amount of credit attempted in one semester. The non-weighted GPA (honor roll) does not consider the level of the course. Both GPA's will be calculated to three decimal places. There are four levels of courses at Taylor High School. A list of courses and how they are weighted is written in the Course Registration Guide.

GRADE POLICY

HOMEWORK

TAYLOR HIGH SCHOOL BELIEVES THAT HOMEWORK SUPPORTS OUR EDUCATIONAL PROGRAM AND THE DEVELOPMENT OF SKILLS NECESSARY FOR THE SUCCESS OF OUR STUDENTS. HOMEWORK CAN HELP THE STUDENT BECOME MORE SELF-RELIANT, LEARN TO WORK INDEPENDENTLY, IMPROVE THE SKILLS WHICH HAVE BEEN DEVELOPED AND COMPLETE CERTAIN PROJECTS SUCH AS THE READING OF WORTHWHILE BOOKS AND THE PREPARATION OF RESEARCH PAPERS.

WHEN ASSIGNING HOMEWORK, THE TEACHER WILL CLEARLY STATE THE OBJECTIVE(S) OF THE ASSIGNMENT TO THE STUDENT AND PROVIDE APPROPRIATE DIRECTIONS FOR ACHIEVING THE OBJECTIVE(S).

HOMEWORK THAT IS ASSIGNED SHOULD MEET ONE OR MORE OF THE FOLLOWING OBJECTIVES:

1. TO PRACTICE AND REINFORCE SKILLS AND CONCEPTS TAUGHT IN THE CLASSROOM;
2. AS PREPARATION OR INTRODUCTION FOR MATERIAL THAT WILL BE TAUGHT;
3. TO PROVIDE AN OPPORTUNITY TO EXTEND LEARNING BEYOND THE CLASSROOM;
4. TO PROVIDE ENRICHMENT ABOUT A SUBJECT TAUGHT;
5. AS AN OPPORTUNITY FOR CREATIVE EXPRESSION AND TO ENCOURAGE ANALYSIS, SYNTHESIS, AND EVALUATION OF A LESSON AND/OR...
6. TO COMPLETE UNFINISHED CLASSROOM WORK OR WORK THAT WAS MISSED DUE TO ABSENCE.

THE NUMBER, FREQUENCY, AND DEGREE OF DIFFICULTY OF HOMEWORK ASSIGNMENTS SHOULD BE BASED ON THE ABILITY AND NEEDS OF THE STUDENT AND *TAKE INTO ACCOUNT OTHER RESPONSIBILITIES WHICH MAKE A LEGITIMATE CLAIM ON THE STUDENT'S TIME.*

HOMEWORK ASSIGNMENTS SHOULD NEVER BE THE REASON A STUDENT FAILS A COURSE.

HONOR ROLL / ACADEMIC LETTERS

At the close of each grading period, a three level honor roll will be determined based on the student's quarterly grades. Only students enrolled in and earning grading marks in a minimum of 5 courses are considered for honor roll. Students achieving a 4.0 average for the grading period receive "Highest Honors"; students earning a 3.500 to 3.999 average will be designated as "High Honors"; students who average 3.000 to 3.499 achieve "Honors" status. If a student receives a quarterly grade of F for any course, the student is ineligible for honor roll regardless of grade point average. All courses taken by a student will be computed (unweighted) to determine grade point average and honor roll status. Names of students qualifying for honor rolls will be posted in the school and provided to the local newspapers. Academic awards are given annually at the Awards Ceremony to students who receive "High Honors" or "Highest Honors" for the first three quarters of the school year.

SCHEDULE CHANGES

Preparing the master schedule and individual schedules is a very important and involved process. Parents and their student should devote adequate thought and planning to course selections prior to submitting course requests. After the course selection sheet has been turned in and entered into the computer, it will be considered a final schedule request.

A student may make a schedule change only under one of the following circumstances:

- 1) **Administrative Error**
- 2) **Academic level change that is found to be in the best interest of the student** (teacher/counselor recommendation)
- 3) **Dropping a study hall.**

Students in grades 9 – 12 must maintain enrollment in six (6) courses. If a course is dropped before Aug 31st (Jan. 30th – 2nd semester), students will receive a “W” on their report card and transcript. If the course is dropped after Aug 31st (Jan. 30th – 2nd semester), a “W/F” (withdrawn/failure) will show on their report card and transcript as well as reflect in their GPA. If a student wishes to add a course in place of a study hall, he/she must notify his/her counselor prior to the first day of school. Any exceptions must receive administrative approval.

Students are responsible for all course fees once final course selections have been entered unless a change is made due to administrative error or academic level change as listed above.

Making good decisions about course selections is critical for students to consistently progress toward graduation. Our counselors, teachers and administrators are all available to provide any information and guidance during the course selection process to help ensure that the best possible scheduling decisions are made.

SCHOOL COUNSELORS

School Counselors play an integral part in the development of the individual student for effective living in the modern world by striving to accomplish the following goals with each student:

1. Help each student to understand himself / herself.
2. Help each student to understand and make the most of his/her abilities, aptitudes and interests.
3. Help each student develop as a social being so that he/she can contribute to society.
4. Help each student develop the confidence to think his/her problems through and to select intelligent courses of action.
5. Guide students in learning to seek and utilize available resources.

The focus of the guidance program is on individual counseling and is supplemented by various activities within the school. Guidance counselors are responsible for assisting students with course selections, career guidance, college placement, testing, and individual problems which impede the learning process. A student should feel free to arrange an appointment with his/her counselor whenever he/she encounters an academic or personal problem.

SEMESTER EXAMS– In grades 9-12, Semester Exams will be given at the end of each semester for any course that earns H.S. Credit.

PRE ACT – This assessments offers students early practice for the ACT test. Scores will reflect predicted ACT score ranges to the ACT 1-36 scale. Students may opt to share their information with colleges and scholarship agencies. The ACT interest inventory provides students with a personalized view of interests with college and career alignment. All students grades 9-10 will take this.

PSAT/NMSQT – This assessment offers practice for the SAT test and allows students to have a greater awareness of academic strengths and weaknesses. It is also an opportunity to possibly qualify for the National Merit Scholarship. Like the SAT, the questions are in the subjects of Reading, Math, and Writing. All juniors and students enrolled in Honors English 10 will take this assessment on Plan for the Future Day.

ACT – Is a college entrance test that includes questions in English, Reading, Math, and Science. Writing is an optional component. The score from this test is used as one criterion for college acceptance and scholarship. The maximum score is 36. All students will be given a free administration of this assessment during the spring of their junior year.

SAT – Is a college entrance test that includes questions in Reading, Math, and Writing. The core from this test is used as on criterion for college acceptance and scholarship. The maximum score is 2400. Students must sign up for this on their own, and this will be taken off campus, outside of school hours.

ASVAB – Is a multiple-aptitude battery that measures developed abilities and helps predict future academic and occupational success in the military. It is administered annually to more than one million military applicants, high school, and post-secondary students. This assessment will be offered during the spring, and students are able to opt in to take it.

AP Exams – Are exams taken at the end of an Advanced Placement course. With the appropriate test score, many colleges will award college credit for the course. Taylor High School offers a broad range of AP courses in which AP tests will be taken and possible college credit earned.

AIR End of Year (EOY) Exams – State required tests in the spring that measure student achievement in Common Core and Revised State Standards. See the chart below for what subjects have EOY exams.

AIR End of Year Exams
English 9, English 10
Algebra I & Geometry
Biology
American History & Government

Students in the graduating class of 2018 and beyond are required to complete 7 assessments to earn a total of 18 points from the new state AIR tests. Points are earned based on their performance level on the tests: 5 points for Advanced, 4 points for Accelerated, 3 points for Proficient, 2 points for Limited, and 1 point for Basic.

Students are required to earn at least 4 points between the two English tests, 4 points between the two Math tests, and 6 points between the Science and Social Studies tests.

Students who have opted out or will opt out of the state tests are still under the state graduation requirements to earn 18 points. However, there are other options to meet the state graduation requirements including:

- A remediation-free score on a college admissions test (ACT)
- A workforce ready score on the WorkKeys test, in combination with an approved industry-recognized credential.

*****Information is based on current passed Ohio Legislation. Test requirements are subject to change based on state decisions.**

VIRTUAL SCHOOL

The purpose of the Taylor Virtual School is to better serve our student population by providing an additional alternative method of achieving credits. Terms of acceptance into Virtual School are decided collectively by the principal, counselor, virtual school coordinator, parent(s), and student and agreed upon through a contact. The decision-making process will include an evaluation of the student's likelihood of success and his/her priority level. Half-day or full-day virtual school students will report to CT Young during their designated times to the Virtual School classroom. Students taking just one period of virtual school will be assigned a location within the main campus to complete their work.

NOTE: More detailed information about Taylor High School's academic programming can be found in the current Course Guide. Copies of this can be found on the website and counseling office.

II

GENERAL INFORMATION

AUDITORIUM CONDUCT/SEATING

The stage or screen should command the student's attention at all times. An assembly is not the time to visit or talk with friends. Also, students should show respect for the performers or speaker by not whistling, stomping, shouting, booing, heckling, etc. in the auditorium during a performance or assembly. **Homeroom teachers are to remain with their classes at all times and monitor their behavior.** Students with misbehavior resulting in removal from an assembly will be prohibited from attending future assemblies. When assemblies are held, they will instead report to a designated classroom with books and materials for a study period until the completion of the assembly.

BED BUGS

The Board of Education recognizes the responsibility of the District to help protect the health of our students and staff. Health services are an integral link between school, home and community service providers. Health services coordinate and support existing programs to assist each student in achievement of an optimal state of physical, mental and social wellness.

Parents will be notified when their child/children are found to be infested with Bed Bugs either by bites on skin or actual bed bugs on personal belongings. Students are required to be removed from school for a mandatory seventy-two (72) hour quarantine period, which includes holiday and weekend hours and must comply with the following guidelines:

1. Parent/designee must bring a change of clothing for the child that has been in the dryer on high heat (140 degrees or higher) for a minimum of 20 minutes.
2. The student will be checked upon return to school for 3 consecutive days and all personal belongings (coats, backpacks, etc.) are to be bagged and sealed. Two (2) additional weekly checks will also be done.
3. Classrooms will be disinfected as determined by the School Nurse and Principal.
4. The Hamilton County of Health will be notified. (Board Policy JHCCC)

1. Sit on a floor facing the wall.
2. Hold a hard-backed book or their arms over their heads and put their heads between their knees.
3. Remain quiet until the all-clear is sounded.

FEES AND FINES

Students owing school fees and fines must pay by the end of the grading period of each semester when new fees are assessed. Fees from a previous year(s) should be paid by the beginning of the school year. Fees and fines are cumulative from year to year and could result in retention of student records after he/she has completed graduation requirements as well as exclusion from extracurricular activities

Student fees must be paid in full or a current payment plan in place for students to be able to participate in Athletics, Extra-Curriculars, Dances, Prom, and Graduation. Please contact Tiffoney Picklesimer at 513-467-3200 with any questions, or to setup a payment plan.

In order for a student to be exempt from paying school fees, a "fee waiver" form must be on file in the main office before the end of the current school year. Families who are unable to pay school fees should contact the main office to arrange a payment schedule.

Latex balloons and gloves pose a special hazard because as a balloon deflates or gloves are removed, rubber protein particles are released into the air. Taylor High School requests that no latex balloons be brought into the building. Mylar balloons are acceptable.

ILLNESS WHILE AT SCHOOL

Pupils who become ill during the day should ask their teacher for permission to go see the school nurse or the main office if the nurse is not available. No person will be admitted to the nurse's office without a pass from a classroom teacher or school administrator. The nurse, principal, or designee, will decide what action to take, i.e. rest in the office, go home, go to a doctor or hospital, or return to class. The student will not be permitted to go home unless seen by the school nurse or their designee and parental permission can be secured. Any student not following this procedure will be considered an unexcused absence. Students may not contact parents using their own personal devices to pick them up from school because they are ill; they must follow the above procedure.

3. Sportsmanship: the ability to win and lose graciously.

SNOW DAY PROCEDURE

When weather conditions or other calamities occur, the Superintendent will declare Three Rivers Schools “closed”, “open with limited bus service”, and/or on a “one-hour delay or a two-hour delay.”

Whenever possible, the decision to close will be made prior to 6:45 a.m. although there may be occasions when a later decision becomes necessary. A “one-hour delay” or a “two-hour delay” may also be changed later to a “closed” status. A “one-hour delay” or a “two-hour delay” indicates that all buses will pick up all students one or two hours later than normal, including students transported to schools in other districts, regardless of whether or not that other district is on a delay.

Dismissal will be at normal times. Depending on whether it is a one or two hour delay, parents should drop off students at school buildings either one or two hours later than usual.

When there is a one or two hour delay, parents should tune to a news source because a delay might later be changed to closed. The district web page is a recommended source of information, (www.threeriversschools.org) as is WKRC (55kHz) or WLW (700kHz)

STUDENT JOURNALISM

Official student publications (newspapers, magazines, yearbooks, etc.) are a part of the school curriculum and, as such, editorial control remains with school authorities.

2. Once the vehicle is parked, the student(s) must report to the school building and not return to the vehicle until leaving for the day.
3. All parking regulations are to be observed with safety in mind. Parking and driving privileges will be denied at any time a student fails to adhere to the regulations or drives in an unsafe manner.
4. There will be a fee for parking privileges. Students who pay their fee will receive a parking pass which must be displayed while parked on school grounds.
5. The administration reserves the right to search any student vehicle when reasonable suspicion of an infraction occurs.
6. Students who park on the street are subject to the same rules and regulations as students in the parking lot.

TEST SECURITY

Many times in your school years you will be taking tests. You should know that all tests and examinations are considered “secure.” That means that we keep them locked up until they are given to you and that no school employees (including teachers) are permitted to let you know questions or answers to questions ahead of time. AIR, Advanced Placement Tests, achievement tests, and ability tests are given special protection. If there is evidence that cheating took place, the papers in question will be disqualified and disciplinary action may be taken. These procedures are for your protection to make sure that everyone who takes these tests does so in a fair and equal manner. District Policy 6405 gives details of our Test Security Provisions.

WITHDRAW PROCEDURES

1. Notify the main office of withdrawal and complete withdrawal form.

This does not officially withdraw a student from the Three Rivers School District.

2. Pay any outstanding school fees, lunch fees, return all books and clean out lockers/cubbies.

Unpaid school fees will result in withholding grades to other schools and agencies.

3. Enroll in new school as soon as possible.

Your student is required to attend Three Rivers schools until fully enrolled in a new school. Failure to enroll your student in a new school will result in a referral to the district Truancy Officer of the Three Rivers School District.

TRUANCY

Regular school attendance is an important ingredient in students' academic success. Excessive absences interfere with student's progress in mastering knowledge and skills necessary to graduate from high school prepared for higher education and the workforce. To support academic success for all students, the district will partner with students and families to identify and reduce barriers to regular school attendance. The district will utilize a continuum of strategies to reduce student absence including but not limited to:

- Notification of student absence to parent or guardian;
- Development and implementation of an absence intervention plan, which may include supportive services for students and families;
- Counseling;
- Parent education and parenting programs;
- Mediation;
- Intervention programs available through juvenile authorities; and
- Referral for truancy if applicable.

BEHAVIOR CONSEQUENCES

Students referred to the office are subject to school disciplinary actions. Students may be referred to the office when other classroom disciplinary measures have failed to correct student behavior. Examples of classroom measures may include: warnings, conferences with students, parent communication, detentions, removal from class, etc. Students also may be referred immediately when behaviors are extremely disruptive or pose a danger to self and others.

A disciplinary record will be kept on each individual student in the Principal's office. School disciplinary actions may include any of the following:

DETENTIONS

After school detentions will be held in an assigned classroom on Mondays, Wednesdays, and Fridays. All students 9-12 will be given 24 hour notice of a detention to acquire transportation. Failure to attend assigned detention sessions will result in additional consequences. Detentions are either 1 hour or 2 hours and may be assigned by a teacher or an administrator. Students must bring work to complete during detention. Students may not sleep, talk, or move around the room during detention. All other code of conduct rules apply.

PARENT CONFERENCES

This is a required meeting with the administrator, parents/guardians, and student to address behavior issues. During this conference a contract may be formed stipulating behavior requirements to be met in order for the student to remain in school.

LOSS OF PRIVILEGE

Students may lose the privilege to participate or attend extra-curricular or co-curricular activities, events or games.

RESTITUTION

Students may have to pay restitution for damages or lost/stolen property.

BEHAVIOR INTERVENTION CENTER

The Behavior Intervention Center (BIC) provides a disciplinary alternative to out of school suspensions. Students assigned to BIC will have their assignments provided for them by their teachers. Students are expected to complete these assignments and return them to their teachers to receive full credit for their work. Students who fail to obey BIC rules or who have to be removed from BIC will be disciplined with measures up to and including out-of-school suspension. Students will not be permitted to talk or communicate with other students during BIC. Students will not be permitted to sleep in BIC. Students will be expected to work independently and quietly. The supervisor may assist students who need help with their work. Students with an IEP will be provided with tutoring assistance in accordance with the IEP. Students will not be excused from BIC to meet extracurricular or employment responsibilities. Any student placed in BIC will not be permitted to attend school functions during the time of their assignment. BIC will be located at CT Young.

ALTERNATE SCHOOL

Alternate School can be assigned to a student who needs an alternate placement for his/her education. Taylor High School administration can assign Alternate School for any duration of time, to allow a student to complete work/credits but not attend Taylor High School. Alternate School is located at CT Young.

EMERGENCY REMOVAL FROM SCHOOL

If a student's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process taking place either in a classroom or elsewhere on school premises, then the administration may remove the student from curricular activities or from the school premises. Students

on emergency removal are not allowed on school property or to attend any school sponsored activity.

OUT OF SCHOOL SUSPENSIONS

Students can be suspended from school by administration up to 10 days and not return until the term of the suspension is completed. Out of school suspensions will be assigned for serious offenses (e.g. fighting, physical acts of aggression, illegal substances, property damage, etc.) and also assigned for chronic offenses and chronic misbehavior. Students are not permitted on school property at any time of the day during a suspension. Students should not be out in the community during school hours when suspended from school. Students on suspensions are not allowed on school property to attend any school sponsored activity.

EXPULSION

Expulsion is the removal of a student from school from 1-80 school days beyond a suspension. An expulsion of 1 year can be imposed by the Superintendent in cases involving knives, firearms, violent conduct, and/or bomb threats. Students expelled from school will be withdrawn and forfeit any rights to make up work.

When Students are Referred to the Office

The administration of Taylor High School uses a progressive discipline system, where the severity of consequences increases each time a student violates the Student Code of Conduct. It ensures that students violating the Student Code of Conduct are approached in a consistent, fair and objective manner. It is also intended to promote positive changes in a student behavior.

The administration of Taylor High School reserves the right to be flexible with this plan and make decisions based on the details regarding the specific incidences of each individual case. In certain cases, the actions of students may be reported to Cleves Police Department or other public agencies.

STUDENT CODE OF CONDUCT POLICIES

DRESS CODE

Part of the total education of the students at Taylor High School is learning to dress appropriately and behave responsibly and respectfully in a variety of situations. Students are expected to dress in a manner appropriate to the school environment and not cause disruption to the academic process.

The Administration and Faculty of Taylor High School has the responsibility of deeming what is appropriate, excessive, and distracting in the educational setting. These regulations will assist parents, students, faculty and administrators in determining appropriate students standards for dress while at school or school sponsored events.

- Parents and students maintain responsibility for students' dress and personal appearance.
- Dress and grooming should be neat, clean and appropriate. Clothes should be clean and personal hygiene and grooming regarded as a matter of course. When dress and grooming interferes with the cleanliness, health, welfare, or safety of students, or when dress or grooming disrupts the educational process by being distracting, indecent or inappropriate to the educational process, it is prohibited.
- During school sponsored events, the administration reserves the right to deny admittance to any athletic/extracurricular event due to immodest or inappropriate dress.
- As new trends in fashion or dress emerge or become out of date, the District reviews and revises the dress code to reflect the standards of the community.
- If there are persistent issues throughout the school year, the administration may amend, change, or add to the dress code policy at any time.

All students shall observe general guidelines for dress and appearance including:

1. Heavy chains, studded bracelets, and dog collars are not permitted.
2. No distracting hair coloring, hair accessories, piercings, makeup, or tattoos are permitted. Administration and faculty will determine what might be deemed excessive and distracting to the educational environment.
3. No undergarments should be visible
4. No transparent, mesh, or garments with large open sides may be worn without clothing underneath.
5. Dress for school should provide a decent coverage of the body for both male and female students. Shirts must be approaching the shoulder and pass the 4 finger rule (sleeves as wide as 4 fingers) and must cover the midriff and cleavage.
6. No clothing and accessories adorned with drug, alcohol, tobacco or sexual messages or innuendoes, inappropriate language or graphics, violence, or other disruptive slang words or images are permitted to be worn to school.
7. No outerwear, coats, earphones/ear buds, hats, caps, visors, sunglasses, sweatbands, scarves, and bandannas are permitted to be worn. Students wearing sweatshirts with hoods must have the hoods down when in the building.
8. No pants should be worn below waist level. No underwear or shorts worn underneath pants should be visible.
9. No excessive rips, holes or tears in pants are permitted nor any above mid-thigh length.
10. No stockings, or shear skin-tight pants are permitted without a top, dress, skirt or pair of shorts that meets the length requirement below. Excessively distracting tight pants will be determined by the administration and faculty.
11. Shorts must be modest in length and provide appropriate coverage. Administration and faculty will determine when the length of shorts is deemed inappropriate for the school environment.
12. Skirts must reach mid-thigh length.

Any pupil whose dress or appearance is considered questionable by the school in reference to the above limits will be referred to the main office. Those students will be provided the opportunity to have clothing dropped off. Students not in compliance who are deemed too distracting will be held out of class until the appropriate clothes are brought to school by a parent, given by the office, or changed by the student. Students are not permitted to leave school premises to change clothes. Any student referred to the office for a dress code violation will receive the following consequence:

1st Offense	Verbal warning and change of clothes
2nd Offense	1 hour detention and change of clothes
3rd Offense	2 hour detention and change of clothes
4th Offense	2 two hour detentions and change of clothes

BOOKBAGS/ATHLETIC BAGS/CINCH BAGS

Once students have arrived to school, all book bags, athletic bags, cinch bags, and purses large enough to be the equivalent of these bags are to be stored in the students' lockers until the end of the school day.

BULLYING/CYBERBULLYING/HAZING/INTIMIDATION/DATING VIOLENCE

Bullying/Hazing/Intimidation in Ohio schools is defined in Ohio law (Ohio Revised Code 3313.666(B)(E) as any intentional written, verbal, graphic, or physical act that a student or group of students exhibits toward another particular student more than once, and that behavior both: causes mental or physical harm to the other student; and is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student. This act also includes violence within a dating relationship. Cyberbullying is the above prohibited behavior perpetuated with computers, cellular phones, internet websites, and/or other electronic device. The term bullying will be used in what follows for all acts as defined above.

While many of these issues may occur "on school property" or "at school events", if the act of bullying occurs off school property/during non-school hours, it still results in school discipline if it manifests itself or there is a disruption in the learning environment in the school setting. Any acts of bullying, as defined above, should be reported immediately to school administration. Penalties for such behavior include a range of disciplinary action including suspension from school. Taylor High School must be a safe haven where all students feel physically and emotionally safe and secure at all times. Parents can assist the school and help protect their children by joining in this effort.

CAFETERIA CONDUCT

All students must eat lunch in the cafeteria where they may buy lunches or bring a lunch from home. During lunchtime, students must report to the cafeteria. The following rules must be observed:

1. Take a place in line and remain there; line cutting is not permitted. Do not hold a place for latecomers.
2. No food is to be removed from the cafeteria except with written administrator/teacher permission.
3. Students who need to leave early to see a teacher must have a pass from that teacher before coming to lunch.
4. Use good table manners.
5. Leave a clean table and area around the table for the next person.
6. Dispose of pop cans, milk cartons, and refuse in the properly designated area.
7. Talk quietly.
8. Lunch charges are not permitted.
9. Students should be seated at all times unless they are getting food, throwing garbage away, or going to class.
10. Any student caught throwing anything will immediately be given disciplinary action.

Whenever a cafeteria supervisor is unable to determine who made or left behind a mess, or is responsible for a disruption or act of disrespect, the entire table or group of students may be held equally responsible. Any student who is asked to identify who is responsible for the mess or a disruption or to clean up an area must comply or face the same penalty as the perpetrator. The best ways to avoid being penalized for another's actions are to: 1) sit with students who have manners and clean up after themselves; and 2) make sure all members of your table pick up after themselves and are not disruptive or disrespectful.

CELL PHONES/ELECTRONICS

A student's cell phone, MP3 player, or other electronic device (tablet, Chromebook, laptop, etc.) must be turned off and concealed before the beginning of first period. Cell phones and other electronic devices are not permitted to be out and visible at all during the school day (8:08-2:51); The only exception is during the students' 30 minute lunch bell. After lunch any/all devices must be turned off and put away

before the student continues to class. Students will not be permitted to use their device in the hallway between lunch and their lockers. Headphones/ear-buds are not permitted at any point during the school day and will be confiscated. Students who chose not to secure their cell phone in a Locker must place cellphone in the classroom phone holder. Unauthorized use of cell phones during class time will result in the confiscation of the cell phone.

All actions (e.g. texts, websites visited, social media posts, pictures, etc.) by the student on his or her device during lunch are subject to the expectations and rules set forth in the student code of conduct. Any student taking, possessing, disseminating or sharing pictures, images, and/or videos that were obtained with electronic devices during school hours, without the expressed written consent of those involved, on school property, or at a school activity will be subject to discipline under the Student Code of Conduct. Disseminating and sharing pictures includes but is not limited to posting on social websites (e.g. Facebook, Kik, Vine, Twitter, SnapChat), photo sharing websites (e.g. Flickr, Instagram, Photobucket) or video sharing websites (e.g. YouTube).

Students who use an electronic device without permission, in the hallway, in classrooms or other school locations not permitted will have their device confiscated for the remainder of the school day. Students may pick up their electronic device at the end of the day from the front office. Repeated offenses will result in consequences listed below. When a teacher confiscates a device, the student will turn over his or her device immediately. Students who refuse to turn their electronic device over to a teacher or adult will have further consequences for insubordination. Any student who has any kind of device out during an exam, test, or quiz will automatically receive a zero in addition to the above consequences.

Penalties for improper use of a cell phone/electronics are as follows:

- 1st Offense: Confiscation + verbal warning
- 2nd Offense: Confiscation + 1 hour detention
- 3rd Offense: Confiscation + 2 hour detention
- 4th Offense: Confiscation (Parent must pick up the device) + (2) 2 hour detentions
- 5+ Offenses: Confiscation (Parent must pick up the device) + 1-3 days in BIC

*Taylor High School or any individual employees therein are not responsible for loss of property that results from students not abiding by school policy and any resulting confiscation.

Work submitted in any class is presumed to be the original writing of the student who hands it in to the teacher. Any work or ideas that are borrowed must be properly cited and credited. The theft of another person's writing, wording, ideas, and facts is called plagiarism. Also considered plagiarism is the electronic borrowing of writing, wording, ideas, and facts. Students who plagiarize will be punished at the discretion of the classroom teacher or building administrators.

- 1st offense – two days BIC
- 2nd offense – three days BIC
- 3rd offense – five days BIC
- 4th offense – two days OSS
- 5th offense – three days OSS

DETENTION

In order to offer outstanding learning experiences for all students at Taylor High School, students are to follow their teacher's classroom rules, as well as the Taylor High School Code of Conduct. The school

recognizes that students need to grow and mature. Part of growth involves making positive academic and lifestyle choices. In the event that students' choices are contrary to Taylor's expectations and standards, students will be held accountable and consequences will be imposed. Assignment of time spent after school serving a detention may be one of those consequences.

The purpose of detention is to impress upon students the fact they are responsible for their behavior, attendance, and completion of their work. After school detentions will be held in an assigned classroom on Mondays, Wednesdays, and Fridays. All students grades 9-12 will be given 24 hour notice of a detention to acquire transportation. Detentions are either 1 hour or 2 hours and may be assigned by a teacher or an administrator. Students must bring work to complete during detention. Students may not sleep, talk, or move around the room during detention. All other code of conduct rules apply.

DETENTION RULES

1. Students must report directly to the Detention room.
2. Detention will be held after school from 2:55pm – 3:55pm (1 hour) or 2:55pm – 4:55pm (2 hour). Tardy students will not be admitted.
3. Students are required to have assignments and necessary materials when they attend detention. Students without assignments and materials will not be admitted.
4. Students must work at all times while in attendance and will not be permitted to rest their heads on the table or sleep.
5. No food, beverages, electronics, cards, magazines, or other recreation items will not be allowed.
6. Completion of assignments will be checked by monitors during and at the end of detention. Monitors have the option to assign additional work.
7. Failure to follow detention rules may result in more severe disciplinary action.
8. Transportation from detention is the responsibility of the student and parent/guardian.

SKIPPING DETENTION

Simply skipping detention will not be tolerated at Taylor High School. No other discipline will be served in lieu of after school detention. If a student in grades 9-12 does not successfully serve an assigned after school detention for any reason which has previously been approved by an administrator, that hour will be tracked. Every time a student is issued a detention throughout the school year and does not serve it, this progression will be followed. Hours will accumulate year to year. The administration will keep track of all of the hours of detention that still need to be served. At the end of each month, the administration will remind the student and parent of the hours that still need to be served, until all of the hours have been served. Those having an excess amount of hours to serve may lose the opportunity to participate in extra-curricular activities, prom, and graduation.

BIC

The Behavior Intervention Center (BIC) provides a disciplinary alternative to out of school suspensions. Students assigned to BIC will have their assignments provided for them by their teachers. Students are expected to complete these assignments and return them to their teachers to receive full credit for their work. Students who fail to obey BIC rules or who have to be removed from BIC will be disciplined with measures up to and including out-of-school suspension. Any student placed in BIC will not be permitted to attend school functions during the time of their assignment. BIC will be located at CT Young.

BIC RULES

1. Students must report directly to BIC at CTY by 8am.

Taylor High School administration can assign Alternate School for any duration of time, to allow a student to complete work/credits but not attend Taylor High School.

ALTERNATIVE ACTIONS

1. Alternative actions may replace and/or accompany any disciplinary action taken for a violation of the student code of conduct.
2. In each incident, the administrator will decide on an individual basis if alternative action will best meet the needs of the student, the school district, and/or the employees of the school district.

INTERROGATIONS AND SEARCHES

The District has custody of students during the school day and the hours of approved extracurricular activities. It is the responsibility of the school administration to make an effort to protect each student's rights with respect to interrogations by law enforcement officials. The administration has developed District regulations to be followed in the case of interrogations.

The right of inspection of students' school lockers and desks or articles carried upon their persons or within their vehicles and interrogation of individual students is inherent in the authority granted school boards and administrators and should be exercised so as to assure parents that the school, in exercising its "in loco parentis" relationship with their children, will employ every safeguard to protect the well-being of those children; nevertheless, the exercise of that authority places unusual demands upon the judgment of school officials. That authority, therefore, is to be exercised with discretion and only when such inspection/search is reasonably likely to produce anticipated tangible results to aid in the educational process, preserve discipline and good order, or promote the safety and security of persons and their property within the area of the school's responsibility.

Student lockers and desks are the property of the district, and since random searches have a positive impact on reducing drugs and other criminal activity, it is the policy of the Board to permit the building administrator to search any locker or desk and its contents as the administrator believes necessary. This policy will be posted in the building.

SOCIAL PROBATION (9-12TH)

Social events at Taylor High School are considered a privilege. All students will NOT be permitted to participate in school functions such as dances, prom, special events, clubs, drama productions etc. if he/she has received certain discipline consequences and has poor attendance.

- Any combination of suspension and BIC equaling 10 total days (within the past 2 quarters)
- 10 or more unexcused/unauthorized absences and/or 10 or more unexcused tardies (within the past 2 quarters)

*In addition, if any hours of detention need to be served, the student will not be permitted to attend after school functions until all hours of detention are served.

**The above Social Probation policy does not include athletics, as athletic eligibility rules apply. It also does not include choir or band, as those are classes.

HARASSMENT

The Three Rivers Local School District is committed to providing an environment that is free from harassment, hostility, or defamation, whether verbal, written, or physical. Such acts will not be tolerated and will constitute grounds for disciplinary action, including suspension and/or expulsion from school. Legal agencies may be contacted as well.

ATHLETIC PARTICIPATION REGULATIONS

The purpose of athletics in the Three Rivers Local School District is to provide students with an opportunity to participate in sports, but more importantly to develop sportsmanship, character and competitiveness in the young men and women who participate. Participation in athletics is a privilege and not a right.

The use or possession of tobacco or alcohol, **ON** or **OFF** school premises at any time during the school year and/or athletic season will not be tolerated. The first offense will result in a suspension of thirty percent (30%) of scheduled regular season games or to the conclusion of the season. A second offense will result in removal from the team of which a student is a member for the remainder of the season and for the rest of the school year. A third offense may result in denial of future participation in athletics at Taylor Secondary School. Additionally, athletes who have been determined to have used alcohol or

tobacco out-of-season are subject the same penalties beginning with their next season of participation.

Possession or use of contraband or a controlled substance in-season or out-of-season may result in immediate dismissal from the team and all athletics for the remainder of the school year. Any student who engages in criminal activity or violation of Civil Law may be denied participation.

Other rules of conduct will be the same as those listed in the student handbook for all school activities. Any violation or deviation from the student code of conduct listed in the student handbook may also be reason for removal from or denial of participation in athletics.

All students participating in athletic programs must have written physicals on file. Physicals are valid for one calendar year for school purposes of athletic participation. Student athletes must attain a minimum grade point average of 1.0 for the preceding grading period in order to participate in interscholastic athletics. Bylaws governing student eligibility, age, limitations, enrollment, attendance, scholarship, and conduct, may be found in the Ohio High School Athletic Association Handbook, sections 4-1-1 through 4-5-4.

In terms of academic eligibility for athletics, section 4-4-1 reads as follows:

"In order to be eligible in grades 9-12, a student must be currently enrolled and must have been enrolled in school the immediately preceding grading period. During the preceding grading period, the student must have received passing grades in a minimum of **five one-credit** courses or the equivalent which count toward graduation" (Handbook of the Ohio High School Athletic Association). Freshman must pass 75% of their 8th grade classes (6 out of 8 or 6 out of 7) to be eligible their Freshman year.

Each athlete and his/her parent(s) must sign and date all necessary paperwork indicating that they understand the athletic rules/information contained in the Student-Athlete handbook prior to beginning practice or participating in any sports activity. It is each athlete's responsibility to return all necessary paperwork to his/her coach. Failure to do so does not relieve a student athlete of any responsibilities or consequences.

In addition all Pay to Participate Fees must be current.
