Please see the important information in this newsletter regarding February 25th - only juniors will report to school on this day for ACT testing - freshmen, sophomores and seniors do not have school.

Thank you to all staff members for stepping up to fill in for their colleagues that were absent this week due to illness! Also thank you to all students for their hard work, and to parents and community for their support as we work through the Yellowjacket Flu! We look forward to seeing everyone back much more rested and healthy on Monday morning!

Sincerely,
Mark Smiley, Principal

Thank You!

On Wednesday, 22% of our K-12 campus was absent due to illness as well as 20 classrooms that did not receive sub coverage. Building and District Administration closely monitored student and staff absences on Monday-Wednesday, and worked in conjunction with the Board of Education and the Health Department to make the decision to close the campus on Thursday and Friday.

Thank you to all parents for their understanding in this matter, as your child's health and safety is our number one priority. Also, thank you to all teachers who collaborated and filled in to support our students and their colleagues to cover classrooms to ensure student learning! Finally, a huge thank you to our custodial staff for their hard work in cleaning and sanitizing all areas of the building for our students' return on Monday, February 3rd! We have an amazing team at TRLS, and together we will overcome the Yellowjacket Flu!

THS Spotlight

This week, Taylor High School presented the first ever "Taylor High School Champion of Students" Award to Rachael Ganslein. This award is given to a teacher that goes above and beyond to support their students academically or socially/emotionally. Rachael received this inaugural award after learning about a student that had never had a birthday cake. She went out of her way to celebrate this student's birthday by making him a cake (and a pie) to share with his classmates! Rachael will now look to pass this award to a colleague that she notices being a "Champion of Students" either academically or socially/emotionally!

GOOD NEWS!

We had a wonderful turn out for our Scholastic Art Awards this year at the Regional Level. There were over 5,000 pieces of artwork submitted in the Cincinnati area and there are about 400 winners. Taylor brought home 31 winners and a PORTFOLIO winner! Click [HERE](#) to view this month's newsletter highlighting all of the artwork!

February 25 - ACT Testing

On February 25, all Taylor High School Juniors will be taking the ACT test. This test is used for college entrance and also is an important part of the Prepared for Success Measure of our state report card. On Tuesday, January 28th, the Three Rivers Board of Education moved to amend the district calendar to make this a school day for juniors only (**freshmen, sophomores, and seniors do not report to school on this day**). This will ensure that we provide our students with an optimal testing environment, allow for small group testing for all students, better equip our staff to provide accommodations for students as indicated in IEPs and 504 plans, and eliminate any issues of interruptions of the test. We will send a more detailed schedule of this day to all juniors prior to the testing date.

Conferences/Scheduling Fair

Taylor High School Conferences will be held on February 14th from 7:30-3:00. Please sign up for a time to speak with your child's teachers in regards to their academic and social/emotional progress!

Our Scheduling Fair will be held on Wednesday, March 18th from 3:00-7:30! More details to come for this event as we get closer!
