This week, Mr. Kestner took his Aviation Mechanic's class to visit Cincinnati State. Students that complete three years in this program are able to test to obtain a professional license that will allow them to be a drone operator. Thank you to Mr. Kestner for his dedication to students in the Taylor High School Career Academies and for providing our students with amazing experiences!

Mrs. Stautberg's Public Speaking class had a very special visitor recently. Local 12's morning anchor, Bob Herzog, visited Taylor High School to discuss his journey through childhood, high school, and his pathway to his current career in broadcasting. Mr. Herzog shared that he was a shy and quiet child growing up, but came alive when on stage! Through practicing in front of an audience, his confidence grew and led to the career he is in today! Thank you to Mrs. Stautberg for connecting with such a dynamic speaker and for giving our students this experience!
