

Physical and  
Dental Forms  
received on all  
students

Nurse or Health Care  
Manager reviews all  
medical and dental forms

Health file created for  
each child in the  
program

No health  
concerns noted on  
medical paperwork

Child is followed yearly with  
vision and hearing screenings.  
Twice a year height and weights  
are completed (Head Start)

Vision and  
hearing results  
are sent to each  
family

Nurse follow ups with families until  
concerns are resolved. Resources  
are provided if needed.

Ongoing monitoring  
for current physicals  
and dentals occurs  
throughout year
